4111 CREATING POSITIONS

The Board of Education recognizes its authority to establish support staff positions that, when filled by qualified employees, will assist the district in the achievement of educational goals set by the Board.

The Board will create new positions as required, approve a job title appropriate to the position, and determine the number of persons required to staff adequately each such position.

The Superintendent shall recommend to the Board such new positions or additional staffing in existing positions as may be required by pupil enrollments and the operational needs of the district.

Adopted: 3 December 2008
4124 EMPLOYMENT CONTRACT

The Board of Education requires that every nontenured support staff member annually sign an employment contract for a term of not more than one year.

The employment contract shall include the date; name of the employee; the beginning and ending dates of service (fixed term appointment); the salary to be paid and the manner of payment; an authorization for salary deductions as applicable; and such other terms and conditions as may be necessary to a complete statement of the employment relationship.

The contract may include a provision for a probationary employment period with a provision providing the Board the right to terminate the employment of the nontenured support staff member at the completion of the probationary employment period. The contract will include a provision for the termination of nontenured support staff member’s contract on sixty (60) days notice duly given by either party.

In the event that the salary entered on the written contract differs from that formally approved by the Board, the salary approved by the Board shall be the salary paid.

Adopted: 3 December 2008
Adopted: 12 November 2013
4125 **EMPLOYMENT OF SUPPORT STAFF MEMBERS**

The Board of Education believes it is vital to the successful operation of the district that support staff positions be filled with highly qualified and competent professionals.

In accordance with the provisions of N.J.S.A. 18A:27-4.1, the Board shall appoint, transfer, remove, or renew a certificated or non-certificated officer or employee only upon the recommendation of the Superintendent of Schools and by a recorded roll call majority vote of the full membership of the Board. The Board shall not withhold its approval for arbitrary and capricious reasons. The Board shall approve the employment, fix the compensation, and establish the term of employment for every support staff member employed by this district.

The Board will employ substitutes for absent support staff members in order to ensure continuity in a program and will annually approve a list of substitutes and rate of pay. The Superintendent or designee shall select substitutes from the list approved by the Board to serve in the place of an absent support staff member.

The Board may use a private contractor to secure a substitute support staff member.

The Board of Education shall not employ for pay or contract for the paid services of any support staff member or any other person serving in a position which involves regular contact with students unless the Board has first determined consistent with the requirements and standards of N.J.S.A. 18A:6-7.1 et seq. that no criminal history record information exists on file in the Federal Bureau of Investigation, Identification Division, or the State Bureau of Identification which would disqualify the individual from being employed or utilized in such capacity or position.

An individual employed by the Board or a school bus contractor holding a contract with the Board, in the capacity of a school bus driver, shall be required to meet the criminal history record requirements as outlined in N.J.S.A.18A:39-19.1.

The Board will employ paraprofessional school aides and/or classroom aides to assist in the supervision of student activities under the direction of a Principal, teacher, or other designated certified professional personnel. Aides will serve the needs of students by performing nonprofessional duties and may work only under the direct supervision of a teaching staff member(s).
In accordance with the requirements of *No Child Left Behind Act of 2001*, paraprofessionals hired after January 8, 2002, who work in a program supported with Title I, Part A funds, with certain exceptions, must meet one of the following criteria:

1. Completed at least two years of study at an institution of higher education;
2. Obtained an associate’s (or higher) degree; or
3. Met a rigorous standard of quality and be able to demonstrate, through a formal State or local academic assessment, knowledge of and the ability to assist in instructing, reading, writing, and mathematics (or, as appropriate, reading readiness, writing readiness, and mathematics readiness).

Paraprofessional staff working in a Title I school, and whose salary is paid for in whole or in part with Title I funds, must have met one of the criteria listed above by the end of the 2005-2006 school year. The Superintendent will ensure paraprofessionals working in a program supported with Title I funds meet the above stated requirements.

An individual employed by the Board in any substitute capacity or position shall be required to undergo a criminal history record check in accordance with the provisions of N.J.S.A. 18A:6-7.1b.

An individual, except as provided in N.J.S.A. 18A:6-7.1g, shall be permanently disqualified from employment or service in the school district if the criminal history record check reveals a record of conviction for any crime or offense as defined in N.J.S.A. 18A:6-7.1 et seq.

The Board or contracted service provider may employ an applicant on an emergent basis for a period not to exceed three months, pending completion of a criminal history record check if the Board or contracted service provider demonstrates to the Commissioner of Education that special circumstances exist which justify the emergent employment as prescribed in N.J.S.A. 18A:6-7.1c. In the event the criminal history record check is not completed for an emergent hired employee within three months, the Board or contracted service provider may petition the Commissioner for an extension of time, not to exceed two months, in order to retain the employee.
No criminal history record check shall be performed unless the applicant shall have furnished written consent to such a check. The applicant shall bear the cost for the criminal history record check, including all costs for administering and processing the check. The district will deny employment to an applicant if the applicant is required and refuses to submit to a criminal history record check.

The Board of Education prohibits any relative of a Board member or the Superintendent of Schools from being employed in an office or position in the school district in accordance with the provisions of N.J.A.C. 6A:23A-6.2 and Board Policy 0142.1 – Nepotism.

A support staff member’s misstatement of fact material to his/her qualifications for employment or the determination of his/her salary will be considered by the Board to constitute grounds for dismissal.

Adopted: 3 December 2008
Adopted: 26 June 2014
4130 **ASSIGNMENT AND TRANSFER**

The Superintendent shall make support staff assignments and transfers in the manner best calculated, in his/her judgment, to enhance the educational program.

Procedures for assignment and transfers shall comply with provisions of current negotiated agreements and State and federal law. Discrimination in assignment, transfer, and promotion shall not be tolerated.

Particular attention shall be paid to ensuring that there shall be equivalence of staff among the schools.

The Board may terminate the employment of an employee for incompetence, immorality, unfitness for service, insubordination, reduction in force, or other good cause. Any notification of termination for cause will include a full statement of the reasons for the dismissal on notice duly given a nonprobationary employee.

The Board may terminate an employment contract with a non-tenured support staff member only upon the recommendation of the Superintendent and by a recorded roll call majority vote of the full membership of the Board. The Board will not withhold its approval for arbitrary and capricious reasons. N.J.S.A. 18A:27-4.1.

4145 LAYOFFS

The Board of Education shall provide the support staff necessary for the operation of the district in a manner that is efficient and economical.

The Board reserves the right to abolish support staff positions and reduce district staff commensurately whenever reasons of economy, reorganization of the school district, reduction in the number of pupils, or other good cause so warrant. The Superintendent shall continually review the efficiency and effectiveness of district organization and recommend to the Board the creation and abolition of support staff positions and the reallocation of duties and positions.

When two or more employees are employed in the same classification of employment in which a position is abolished, the employee shall be reemployed who has demonstrated greater competence.

When, as the result of the abolishment of a position, an employee is demoted in position, the employee shall receive the salary of the position to which he/she has been assigned.

Adopted: 3 December 2008

The Board will renew the employment contract of a nontenured support staff member only upon the recommendation of the Superintendent and by a recorded roll call majority vote of the full membership of the Board. The Board will not withhold its approval for arbitrary and capricious reasons. A nontenured support staff member who is not recommended for renewal by the Superintendent is deemed nonrenewed.

When the nontenured support staff member’s performance does not meet the standards of the district, the Superintendent shall recommend not renewing the support staff member’s contract. Prior to notifying the support staff member of the nonrenewal, the Superintendent will notify the Board of the decision not to renew the support staff member’s contract and the reasons for the decision. The Superintendent shall notify each nontenured support staff member to whom reemployment will not be offered in writing in accordance with the terms of any applicable collective bargaining agreement, individual contract, or any other agreement between the parties. Paraprofessionals continuously employed since the preceding September 30 as a school aide or classroom aide in a school district that receives funding under Title I of the Federal Elementary and Secondary Education Act of 1965 shall be notified of renewal or nonrenewal on or before May 15 in each year in accordance with the provisions of N.J.S.A. 18A:27-10.2.

A nontenured support staff member whose contract is not renewed shall have the right to a written statement of the reasons for nonrenewal, provided the request for the statement of reasons is made within fifteen days of the Superintendent’s written notification of nonrenewal to the support staff member. The statement of reasons shall be provided to a nontenured support staff member within thirty days after the receipt of the request.
Whenever a nontenured support staff member has requested in writing and received a written statement of reasons for non-reemployment, the nontenured support staff member shall have the right to an informal appearance before the Board to permit the support staff member an opportunity to convince the members of the Board to offer reemployment, provided that a request for such an appearance is received within ten days after the support staff member receives the statement of reasons provided by the Superintendent. The informal appearance before the Board shall be held in accordance with the provisions of N.J.A.C. 6A:10-8.1.

The Board is not required to offer reemployment or vote on reemployment after an informal appearance with a nontenured support staff member who was not recommended for reemployment by the Superintendent. The Board may, with a majority vote of its full membership in public session and without the recommendation of the Superintendent, offer the nontenured support staff member reemployment after the informal appearance before the Board. The support staff member will be notified of the Board’s final determination within three days following the informal appearance before the Board.

The provisions as outlined in Policy and Regulation 4146 may be revised or adjusted by the Superintendent of Schools to be in accordance with the terms and timelines of any applicable collective bargaining agreement, individual contract, or any other agreement between the parties provided the terms are not contrary to any statute, administrative code, or any management rights of the Board.

In the alternative, the Superintendent may notify the Board members of the recommendation not to renew a nontenured support staff member in executive session. Using this option, or the Board will meet in executive session to review the Superintendent’s decision(s) for nonrenewal of nontenured support staff members. EXAMINATION FOR CAUSE

The Board of Education may, in accordance with law, require the psychiatric or physical examination of any support staff member who shows evidence of deviation from normal physical or mental health.

The Superintendent shall recommend to the Board the examination of any support staff member whose physical or mental condition so departs from normal health as to adversely affect the performance of the member's duties. Any such recommendation must be accompanied by competent evidence. If the Board determines that deviation from normal health has been demonstrated, it may require that the member submit to a physical or mental examination.

A requirement for physical or mental examination shall be made known to the employee by written notice setting forth the nature of the examination required, the reasons for the requirement, and a statement offering the member the opportunity to appear before the Board to explain or refute those reasons, provided any such hearing is requested in writing within five working days of the receipt of the notice.

A support staff member who fails to request an appearance before the Board within the time permitted or, having appeared before the Board, fails to persuade the Board that he/she should not be required to submit to the required examination shall be ordered to submit to an appropriate examination by a physician or institution designated by the Board and at the Board's expense.

The support staff member may, at his/her option, submit names of physicians or institutions to the Board for consideration to complete the appropriate examination(s). The Board is not required to designate a physician or institution submitted for consideration by the support staff member, but the Board will not act unreasonably in withholding its approval of a physician or institution submitted by a support staff member. The cost of the examination will be borne by the Board if the Board designates a physician or institution from the names submitted from the support staff member.
If the support staff member's request is denied, or if the support staff member does not request the Board to consider a physician or institution, the staff member may elect to submit to an appropriate examination conducted by a physician or institution of the support staff member's own choosing and at his/her expense, provided the physician or institution so chosen is approved by the Board, pursuant to N.J.S.A. 18A:16-3, and is authorized and directed by the member to report the results of the examination to the Board.

If the results of the examination show mental abnormality or communicable disease, the support staff member shall be placed on sick leave and compensated in accordance with his/her sick leave entitlement, if any, until proof of recovery, satisfactory to the Board, is furnished. No leave of absence granted under this policy shall exceed the term of the contract of a nontenured support staff member or a period of two years in the case of a tenured support staff member.

A support staff member who refuses to submit to the examination required by the Board and has exhausted the hearing procedures established by law and this policy shall be subject to discipline, which may include the certification of tenure charges to the Commissioner of Education.

42 U.S.C.A. 12101
N.J.A.C. 6A:32-6.3

Adopted: 3 December 2008
Employee attendance is an important factor in the successful operation of any school district and in the maintenance of the continuity of the educational program. The Board of Education is vitally and continually interested in the attendance of each employee and considers satisfactory attendance an important criterion of satisfactory job performance. Therefore, to foster and maximize staff attendance at the 95 percent level, an attendance improvement program shall be developed and implemented.

The privilege of district employment imposes on each employee the responsibility to be on the job on time every scheduled working day. This responsibility requires that the employee maintain good health standards, take intelligent precautions against accidents both on and off the job, and manage personal affairs in order to satisfy district attendance requirements.

The Board is required by the high costs of absences and disrupted work schedules to give continuing attention to the maintenance of regular attendance by employees. Chronic absenteeism and tardiness are subject to discipline and may be cause for dismissal.

Definitions

Sickness or illness may be defined as a physical or mental impairment which can be certified by a physician, if needed. It tends to debilitate a person to the extent that it reduces his/her effectiveness on the job and may be classified as short-term or long-term.

Short-term occasional illnesses are sporadic periods of absences over a long duration, each of which usually consists of one to three days.

Long-term occasional illnesses are absences over a long duration, consisting of four days or more, in which a staff member is absent because of a legitimate ailment. All staff members must be cleared by the Human Resources Department prior to returning to their assignment.

The employee’s attendance record will include notation of verification of an absence where such verification is required by Policy No. 4432.

3. The record will include each employee’s rate of absence as calculated monthly.
4. At the end of each month, a cumulative attendance record shall be assembled for each school and for the district. An attendance summary shall be prepared from the cumulative attendance record. The attendance summary shall show:

4212.3 CONSULTING OUTSIDE THE DISTRICT

The Board of Education recognizes that support staff members will have expertise and knowledge in areas that other school districts, agencies, and other entities may desire. Recognizing that the school district will request the expertise from support staff members from other school districts, agencies and other entities, the Board supports sharing of its support staff members with other school districts, agencies, and other entities to the extent it does not interfere with the efficient operation of the school district.

The Superintendent may recommend to the Board a support staff member’s attendance in another school district, agency or other entity without additional remuneration to the support staff member or school district, upon a written request from the agency or from the support staff member.

The Board of Education recognizes support staff members will have expertise and knowledge in areas that other school districts, public and private agencies, and private business organizations may desire to compensate as a paid consultant. When a support staff member serves as a paid consultant, the support staff member is not permitted to use normal work hours for any paid consulting activities. 4218 SUBSTANCE ABUSE

The Board of Education recognizes that chemical dependency is an illness which is preceded by the misuse and/or abuse of alcohol, anabolic steroids, and other drugs. The Board recognizes that the use/misuse of alcohol, anabolic steroids, and other drugs, and the problems associated with it, are becoming increasingly commonplace in today’s society. It is generally accepted that alcoholism and other chemical dependencies are illnesses that can be treated successfully if they are identified as early as possible, and if appropriate treatment is promptly instituted. The Board believes that the therapeutic approach to the problem is more effective than one which is solely punitive in nature.

For purposes of this policy, "substance" shall mean:

1. All controlled dangerous substances as defined and prohibited in New Jersey Statutes and Codes;

2. All chemicals which release toxic vapors as defined and prohibited in New Jersey Statutes and Codes;

3. All alcoholic beverages; and

4. Anabolic steroids.

Standard of Conduct

The Board clearly prohibits the unlawful possession, use, or distribution of illicit substances, drugs, alcohol, and/or anabolic steroids on school premises or as part of any of its activities by any employee of the district as well as reporting to the workplace under the influence of any illicit substances, drugs, alcohol, and/or anabolic steroids. Compliance with this standard of behavior is mandatory.

The Board will make every effort to educate its employees regarding the misuse of illegal substances, alcohol, drugs, and anabolic steroids. Further, the Board will assist and provide guidance to an employee who is having a problem concerning the abuse of these substances on how to receive additional help and counseling.
Program Review

The Board shall review its substance abuse program on a biennial basis to determine its effectiveness and implement changes as required and to ensure that disciplinary sanctions are consistently enforced.

Any information gathered through a school investigation, counseling session, request by an employee for help, etc., shall comply with the confidentiality requirements established in Federal regulations found in 42 CFR Part II. Employees shall be subject to procedures and sanctions defined in Regulation No. 3218. All employees shall be provided with a copy of this policy and the accompanying regulations.

He/she may be suspended without pay, lose an increment, be required to attend a rehabilitation program, or be terminated from employment.
E. Any school staff member(s) who in good faith reports an employee to the Principal or the school medical inspector or the school nurse in an attempt to help such person cure his/her dependency upon or illegal use of controlled dangerous substance(s) as defined by N.J.S.A. 2A:170-25-9 and N.J.S.A. 24:21-2 shall not be liable in civil damages as a result of making any such report as specified in N.J.S.A. 2A:62A-4. 4219 COMMERCIAL DRIVER CONTROLLED SUBSTANCE AND ALCOHOL USE TESTING

The Board of Education is committed to a safe, efficient and alcohol and drug-free workplace, that protects the district’s pupils -- as well as the health and safety of its employees and the general public. The Board requires all drivers performing any safety-sensitive function are free of drugs and alcohol and will test those employees who operate a commercial motor vehicle in accordance with 49 C.F.R. 382 et seq. and 49 C.F.R. 40 et seq. Safety-sensitive function means any on duty function as defined by 49 C.F.R. 382.107 means all time from the time a driver begins work or is required to be in readiness to work until the time the driver is relieved from work and all responsibility for performing work. Safety-sensitive function shall include:

1. All time at the terminal facility or any public property waiting to be dispatched unless relieved from duty;
2. All time inspecting equipment;
3. All time spent at the driving controls of a commercial motor vehicle in operation;
4. All time other than driving time in or upon the commercial vehicle except in an area defined as a sleeping berth;
5. All time loading and unloading a vehicle, supervising, or assisting in the loading or unloading, attending a vehicle being loaded or unloaded, remaining in readiness to operate the vehicle or in giving or receiving receipts for shipments loaded and unloaded;
6. All time spent performing driver requirements related to accidents; and
7. All time repairing, obtaining assistance or remaining in attendance with the vehicle.
The Omnibus Transportation Employee Testing Act requires all operators of commercial motor vehicles subject to the Commercial Driver’s License requirements to be tested for controlled substances and alcohol. Federal regulations of the U. S. Department of Transportation require that school bus drivers as well as drivers of private carriers of passengers contracted by the Board be required to submit to alcohol and controlled substance testing in accordance with 49 C.F.R. Part 40. The Board designates the Assistant Superintendent for Operations as the Designated Employer Representative (DER) of the Board of Education. The Board may contract with a service agent to provide the testing services as required by Federal Regulations.

No driver at any work site will possess, manufacture, use, sell, or distribute any quantity of any controlled substance, lawful or unlawful, which in sufficient quantity could result in impaired performance, with the exception of substances administered by or under the instructions of a physician. No driver shall perform safety-sensitive functions within four hours after using alcohol and the district will not permit a driver that used alcohol within four hours of performing safety-sensitive functions to perform such functions if the district has actual knowledge of the use.

Violations

Any violation of this policy may result in discipline, up to and including termination.

Prohibited Substances

The presence of any of the following controlled substances in the body, as evidenced by the results of the initial screening and subsequent confirmatory analysis provided in the policy, is prohibited for any employee assigned to a classification covered by this policy. All cutoff concentrations are as per 49 C.F.R. 40.87 and are expressed in nanograms per milliliter (ng/mL).

Categories of Testing

For the purpose of this policy, the occurrence of the following circumstances/instances shall require an employee to submit to a controlled substance and alcohol screening:

1. Pre-Employment Testing

   An individual who has applied for and has been selected to operate a Board vehicle shall, before beginning employment with the Board, submit to a controlled substance screening in conjunction with any required physical examination as per Policy No. 4160. Such screening shall be conducted in accordance with the procedures set forth in this policy and 49 C.F.R. 40. No individual receiving a positive confirmed test result will be employed by the Board.

   An exception to the pre-employment screening may be made if the prospective employee:

   a. Has participated in a controlled substance testing program that met the requirements of 49 C.F.R. 382 et seq. within the previous thirty days and while participating in that programs either:

      (1) Was tested for controlled substances within the past six months (from the date of application to the district), or

      (2) Participated in the random controlled substances testing program for the previous twelve months (from the date of application to the district); and
(3) The DER must ensure that no prior employer, to the DER’s knowledge, has records of a violation of a controlled substance testing program within the previous six months.

If an individual is so exempted, the Designated Employer Representative (DER) shall contact the alcohol and/or controlled substances testing program in which the driver participated and obtain the following information in accordance with 49 C.F.R. 382.301(c):

a. Name and address of the program;

b. Verification of the driver’s participation;

c. Verification that the program conforms to federal guidelines;

d. Verification the driver qualified and did not refuse to be tested for controlled substances;

e. The date the driver was last tested for controlled substances; and

f. The results of any tests taken within the last six months and any other violations.

An individual who has applied for and has been selected to operate a Board vehicle or any existing employee transferring into a new position now required to operate a Board vehicle, shall submit a written consent authorizing the district to obtain the following information from other employers who have employed the employee during any period during the two years before the date of the individual’s application date or transfer into the new position. The written consent from the individual will permit the Designated Employer Representative (DER) to obtain the following information from previous DOT-regulated employers:

a. Alcohol tests with a result of 0.04 or higher alcohol concentration;

b. Verified positive drug tests;
c. Refusals to be tested (including verified adulterated or substituted drug test results);

d. Other violations of DOT agency drug and alcohol testing regulations; and

e. With respect to any employee who violated a DOT drug and alcohol regulation, documentation of the employee’s successful completion of DOT return-to-duty requirements (including follow-up tests). If this information is not available from the previous employer, the DER must seek to obtain this information from the individual.

The DER will obtain and review this information before the employee first performs and driving and/or safety-sensitive functions. If this is not feasible, the DER will not permit the individual to work after thirty days from the individual’s first date of employment in the position unless the DER has obtained or made and documented a good faith effort to obtain this information.

2. Random Testing

A covered employee shall be subject to submit to a alcohol and controlled substance testing on an unannounced and random basis resulting from the selection by a random generation methodology in accordance with 49 C.F.R. 383.305(i). Random testing will be spread reasonable throughout any given calendar year.

The minimum annual percentage rate for random alcohol testing shall be 10% of the average number of drivers. The minimum rate of random controlled substances testing shall be 50% of the average number of drivers. These rates may be adjusted as determined by the FHWA (Federal Highway Administration) Administrator in accordance with 49 C.F.R. 382.305.

Drivers shall only be random tested when performing safety-sensitive functions or immediately prior to or immediately following the performance of safety-sensitive functions.
3. Post-Accident Testing

The involvement by an employee in a motor vehicle collision while operating a Board vehicle when such accident results in property damage or personal injury, may trigger a post-accident drug and alcohol test.

As soon as practical following an occurrence, the DER will require post-accident alcohol screening for each of the surviving drivers:

a. Who was performing safety-sensitive functions with respect to a vehicle, if the accident involves the loss of human life; or

b. Who receives a citation within eight hours of the occurrence under State or local law for a moving traffic violation arising from the accident, if the accident involved:

   (1) Bodily injury to any person, who, as a result of the injury immediately receives medical treatment away from the scene of the accident; or

   (2) One or more motor vehicles incurring disabling damage as a result of the accident, requiring the motor vehicle to be transported away from the scene by a tow truck or other motor vehicle.

c. If the alcohol test is not administered within two hours following the accident, the DER will prepare and maintain on file a record stating the reasons the test was not promptly administered. If the alcohol test is not administered within eight hours following the accident, the DER shall cease attempts to administer the alcohol test and shall prepare and maintain the same record. Records shall be submitted to the FMCSA upon request.

As soon as possible following an occurrence, the district will require post-accident controlled substance screening for each of the surviving drivers:

a. Who was performing safety-sensitive functions with respect to a vehicle, if the accident involves the loss of human life; or
b. Who receives a citation with thirty-two hours of the occurrence under State or local law for a moving traffic violation arising from the accident, if the accident involved:

(1) Bodily injury to any person, who, as a result of the injury immediately receives medical treatment away from the scene of the accident; or

(2) One or more motor vehicles incurring disabling damage as a result of the accident, requiring the motor vehicle to be transported away from the scene by a tow truck or other motor vehicle.

c. If the controlled substance test is not administered within thirty-two hours following the accident, the DER shall cease attempts to administer the controlled substance test and shall prepare and maintain the same record. Records shall be submitted to the FMCSA upon request.

A driver who is subject to post-accident testing shall remain readily available for such testing or be deemed to have refused to submit for testing. A driver who is injured in an accident and requires medical care, shall submit to post-accident drug and controlled substance testing by the medical care facility providing the treatment or a designee of the Board if the facility is unable to provide the testing. Nothing herein shall be construed to prevent the driver from leaving the scene of the accident for the period required to obtain necessary assistance or to obtain emergency medical care.

4. Reasonable Suspicion Testing

The DER may require a driver to submit to an alcohol and/or controlled substance test when the driver is observed by a supervisor or school official who is trained in accordance with 49 C.F.R. 382.603 and causes the observer to have reasonable suspicion to believe the driver has violated 49 C.F.R. 382 et seq. Reasonable suspicion must exist to require the driver to undergo a test and must be based on specific, contemporaneous, articulable observations concerning the appearance,
behavior, speech or body odors of the driver. The observations may include indications of the chronic and withdrawal effects of controlled substances.

Reasonable suspicion alcohol testing is authorized only if the required observations are made during, just preceding, or just after the period of the work day the driver is required to be in compliance with the testing requirements of 49 C.F.R. 382 et seq.

Reasonable suspicion testing may be required of a driver while the driver is performing, just before the driver will perform or just after the driver has ceased performing safety-sensitive functions. If the alcohol test is not administered within two hours following the determination a reasonable suspicion test is required, the DER will prepare and maintain on file a record stating the reasons the test was not promptly administered. If the alcohol test is not administered within eight hours following the determination, the DER shall cease attempts to administer the alcohol test and shall state in the record the reasons for not administering the test.

No driver shall report for duty or remain on duty requiring the performance of safety-sensitive functions while the driver is under the influence of or impaired by alcohol, as shown by the behavioral, speech and performance indicators of alcohol misuse. The driver will also not be able to perform or continue to perform safety-sensitive functions until an alcohol test is administered and the driver’s concentration measures less than 0.02 or twenty-four hours have elapsed following the determination that reasonable suspicion existed to require an alcohol test.

A written record of the observations leading to a reasonable suspicion test shall be made and signed by the supervisor and/or school official that made the observations. This record shall be made within twenty-four hours of the observed behavior or before the results of the test are released, whichever is earlier.

5. Return to Duty Testing
The district is not required to return an employee to a safety-sensitive position upon receipt of a confirmed drug and/or alcohol test. The Designated Employer Representative (DER) may recommend to the Superintendent of Schools the individual's employment be terminated depending on the circumstances.

In the event the DER does not recommend termination, the DER shall ensure that before a driver returns to duty requiring the performance of a safety-sensitive function, the driver shall undergo a return to duty alcohol test indicating a breath alcohol concentration of less than 0.02 and a controlled-substances test with a result indicating a verified negative result for controlled-substances use as required in 49 C.F.R. 40.305.

Drivers permitted to return to duty are required to take return-to-duty tests and shall be evaluated by a Substance Abuse Professional (SAP). These individuals must participate in an assistance program prescribed by the SAP and as required in 49 C.F.R. 40 Subpart O.

The SAP will determine a written follow-up testing plan for any individual who has been permitted to return to work and has successfully complied with the SAP's recommendations for education and/or treatment. Such employees are subject to a minimum of six (6) unannounced, follow-up drug screening and alcohol tests over the following twelve (12) months. The testing shall not exceed sixty (60) months. Alcohol follow-up testing shall be performed only when the driver is performing safety-sensitive functions or immediately prior to performing or immediately after performing safety-sensitive functions. All follow-up testing will be completed in accordance with 49 C.F.R. 40.311.

Medical Review Officer (MRO) Notifications

The Board shall employ or contract with a medical review officer who is a licensed physician (M.D. or D.O.) and shall designate the Medical Review Officer as the individual responsible for receiving laboratory results generated by the testing program. The medical review official shall have knowledge of substance abuse disorders and have appropriate medical training to interpret and evaluate the individuals confirmed positive test together with his/her medical history and other biomedical data. The Medical Review Officer will perform all functions and responsibilities as required in 49 C.F.R. 49 Subpart G.
Employer Notification

The Medical Review Officer may report controlled substances test results to the DER by any means of communication; however, a signed, written notification must be forwarded within three business days of the completion of the Medical Review Officer’s evaluation. The Medical Review Officer must report all drug test results to the employer. The MRO may use a signed or stamped and dated legible photocopy of Copy 2 of the CCF t report test results or a written report that must include, at a minimum, the information required in 49 C.F.R. 40.163.

Split Specimen Tests

Split specimen testing will be conducted in accordance with 49 C.F.R. 40 Subpart H. Under split-sample collection procedures, the driver has seventy-two hours from the time of notification of a positive result to request the MRO to order a test of the split specimen. If the driver does not request a split specimen test within seventy-two hours, the driver may present to the MRO information documenting that serious injury, illness, lack of actual notice of the verified test result, inability to contact the MRO, or other circumstances unavoidably prevented the individual from making a timely request.

If the split specimen is unavailable or appears insufficient, the laboratory will continue the testing process of the primary specimen as the laboratory would normally. The laboratory will report the results for the primary specimen without providing the MRO information regarding the unavailable split specimen. In the event the MRO requests the split specimen be forwarded to another laboratory, the laboratory will report to the MRO the split specimen is unavailable for testing and the laboratory will provide the MRO with as much information as possible about the cause of the unavailability.

Designated Collection Facility

The Board shall designate the facility to be used for the collection of the specimen; provided, however, that the designated facility shall possess all required licenses and permits. The collection site will take place in a facility meeting the requirements of 49 C.F.R. 40 Subpart D. The DER will ensure the collection site meets the security requirements of 49 C.F.R. 40.43.

Designated Screening Laboratory
The Board shall designate the laboratory to which collected fluid samples will be forwarded for drug/alcohol screening. Drug testing laboratories must be certified by the Department of Health and Human Services (HHS) under the National Laboratory Certification Program (NLCP) for all testing required under 49 C.F.R. 40. The laboratory will perform all responsibilities as required in accordance with 49 C.F.R. 40 Subpart F.

Specimens

The normal screening methodology for controlled substances shall be urinalysis, collected by a representative of the Board at a designated site. The presence of alcohol will be determined by an Alcohol Screening Device (ASD) or an Evidential Breath Testing Device administered by an individual certified in accordance with 49 C.F.R. 40.211 and 49 C.F.R. 40.213.

Refusal to Submit

A driver will be deemed as refusing to take a drug test as described in with 49 C.F.R. 40.191. As per 49 C.F.R. 40.191, and individual refuses to take a drug tests if he/she:

1. Fails to appear for any test (except a pre-employment test) within a reasonable time, as determined by the DER, consistent with applicable DOT agency regulations, after being directed to do so by the DER;

2. Fails to remain at the testing site until the testing process is complete. An employee who leaves the testing site before the testing process commences for a pre-employment test is not deemed to have refused to test;

3. Fails to provide a urine specimen for any drug test required by this policy. An employee who does not provide a urine specimen because he or she has left the testing site before the testing process commences for a pre-employment test is not deemed to have refused to test;

4. Fails to permit the observation or monitoring of providing a specimen. In the case of a directly observed or monitored collection in a drug test;

5. Fails to provide a sufficient amount of urine when directed, and it has been determined, through a required medical evaluation, that there was no adequate medical explanation for the failure;
6. Fails or declines to take a second test the DER of collector has directed the individual to take;

7. Fails to undergo a medical examination or evaluation, as directed by the MRO as part of the verification process, or as directed by the DER under Sec. 40.193(d). In the case of a pre-employment drug test, the individual is deemed to have refused to test on this basis only if the pre-employment test is conducted following a contingent offer of employment;

8. Fails to cooperate with any part of the testing process (e.g., refuses to empty pockets when so directed by the collector, behaves in a confrontational way that disrupts the collection process); or

9. If the MRO reports the driver had a verified adulterated or substituted test result.

If an individual refuses to participate in a part of the testing process, the collector or MRO, must terminate the portion of the testing process, document the refusal on the CCF (including in the case of the collector, printing the employee’s name on Copy 2 of the CCF), immediately notify the DER by any means (e.g., telephone or secure fax machine) that ensures that the refusal notification is immediately received. A referral physician (e.g., physician evaluating a "shy bladder" condition or a claim of a legitimate medical explanation in a validity testing situation), must notify the MRO, who in turn will notify the DER. In addition, the collector must note the refusal in the "Remarks" line (Step 2), and sign and date the CCF. The MRO must note the refusal by checking the "refusal to test because" box (Step 6) on Copy 2 of the CCF, and add the reason on the "Remarks" line. The MRO must then sign and date the CCF. When the driver refuses to take a non-DOT test or to sign a non-DOT form, the driver has not refused to take a DOT test. There are no consequences under DOT agency regulations for refusing to take a non-DOT test.

Record of Negative Screening

An employee required submitting to an alcohol and/or controlled substance screening as provided in this policy and whose screening results are negative may, at their option, have their personnel file documented to reflect the negative result.

Prescription Drugs
All bus drivers shall notify the DER of the use of any prescription drugs. The Board may require certification from the prescribing physician that the use of the prescription drug will not have an adverse effect on the driver’s ability to properly perform safety-sensitive functions.

Consequences to Drivers Engaging in Prohibited Conduct

An employee whose screening produces a positive result for a prohibited substance:

1. Shall not be permitted to perform safety-sensitive functions;

2. Shall be advised by the DER of resources available to them in evaluating and resolving problems associated with the misuse of alcohol or the use of controlled substances;

3. Shall be evaluated by a substance abuse professional who shall determine what assistance, if any, is needed to resolve problems with alcohol or controlled substance use;

4. Undergo, before returning to duty, a return to duty alcohol test indicating a breath level of less than 0.02 if the conduct involved alcohol or a controlled substance test with a verified negative result;

5. If assistance was required, the employee must be evaluated by a substance abuse professional to determine that the driver has followed the rehabilitation program prescribed;

6. Be subject to unannounced follow up alcohol and/or controlled substance abuse testing;

7. Be subject to the disciplinary policy and regulations of the Board.

Return-to-Work Agreement

An employee who has returned to work and who fails to comply with any of the terms of the Return to Work Agreement shall be subject to termination.

The Board of Education has a strong commitment to quality education and the well-being of all pupils, as well as the preservation of the school district’s reputation. The Board believes staff members must establish and maintain public trust and confidence and be committed to protecting all pupils attending the school district. In support of the Board’s strong commitment to the public’s trust and confidence, the Board holds all staff members to the highest level of professional responsibility.

The Commissioner of Education has determined inappropriate conduct outside a staff member’s professional responsibilities may determine them as unfit to discharge the duties and functions of their position. Staff members should be advised communications, publications, photographs, and other information appearing on social networking sites deemed inappropriate by the Board could be cause for dismissal of a non-tenured staff member or to certify tenure charges against a tenured staff member to the Commissioner of Education.

Staff members are advised to be concerned and aware such conduct deemed inappropriate may include, but is not limited to, communications and/or publications using emails, text-messaging, social networking sites, or any other form of electronic communication that is directed and/or available to pupils or for public display or publication.

While the Board respects the right of staff members to use social networking sites, staff members should recognize they are held to a higher standard than the general public with regard to standards of conduct and ethics. It is important that a staff member’s use of these sites does not damage the reputation of the school district, employees, pupils or their families. Staff members who utilize, post or publish images, photographs, or comments on social networking sites, blogs, or other forms of electronic communication outside their professional responsibilities shall ensure their use, posting, or publications are done with an appropriate level of professionalism and are appropriate conduct for a school staff member. Staff members should exercise care in setting appropriate boundaries between their personal and public online behavior, understanding that what is private in the digital world often has the possibility of becoming public even without their knowledge or consent.

The school district strongly encourage all staff members to carefully review the privacy settings on social networking sites they use and exercise care and good judgment when posting content and information on such sites. Staff members should adhere to the following guidelines, which are consistent with the district’s workplace standards on

Adopted: 11 September 2012
The Board recognizes that as telecommunications and other new technologies shift the manner in which information is accessed, communicated and transferred that those changes will alter the nature of teaching and learning. Access to telecommunications will allow support staff members to explore databases, libraries, Internet sites, bulletin boards and the like while exchanging information with individuals throughout the world. The Board supports access by support staff members to information sources but reserves the right to limit in-school use to materials appropriate to educational purposes. The Board directs the Superintendent to effect training of support staff members in skills appropriate to analyzing and evaluating such resources as to appropriateness for educational purposes.

The Board also recognizes that telecommunications will allow support staff members access to information sources that have not been pre-screened using Board approved standards. The Board therefore adopts the following standards of conduct for the use of computer network(s) and declares unethical, unacceptable, inappropriate or illegal behavior as just cause for taking disciplinary action, limiting or revoking network access privileges, instituting legal action or taking any other appropriate action as deemed necessary.

The Board provides access to computer network(s)/computers for administrative and educational purposes only. The Board retains the right to restrict or terminate support staff members' access to the computer network(s)/computers at any time, for any reason. The Board retains the right to have the Superintendent or designee monitor network activity, in any form necessary, to maintain the integrity of the network(s) and ensure its proper use.

N.J.S.A. 2A:38A-3

Adopted: 3 December 2008
Acceptable Use of Computer Network(s)/Computers and Resources by Support Staff Members

The school district provides computer equipment, computer services, and Internet access to its pupils and staff for educational purposes only. The purpose of providing technology resources is to improve learning and teaching through research, teacher training, collaboration, dissemination and the use of global communication resources. The "system administrators" referred to herein as employees of the school district who administer the school district computer network(s)/computers and the system administrators reserve the right to monitor all activity on network(s)/computer facilities/computers.

Because of the complex association between so many government agencies and computer network(s)/computers, support staff members must adhere to strict regulations. Regulations are provided here so that support staff members are aware of their responsibilities. The school district may modify these regulations at any time by publishing modified regulations on the network(s) and elsewhere.

Support staff members are responsible for good behavior on computer network(s)/computers. Communications on the computer network(s)/computers are often public in nature. Policies and Regulations governing support staff members behavior and communications apply. The school district's network(s), Internet access and computers are provided to conduct research and as a tool for instruction and to communicate with others. Access to computer network services/computers is given to support staff members who are expected to act in a considerate, responsible and professional manner. Access is a privilege, not a right. Access entails responsibility. Individual users of the district computer network(s)/computers are responsible for their behavior and communications over the computer network(s)/computers. It is presumed that users will comply with district standards. Beyond the clarification of such standards, the district is not responsible for the actions of individuals utilizing the computer network(s)/computers who violate the policies and regulations of the Board.

Computer network(s)/computer storage areas shall be treated in the same manner as other school storage facilities. Computer network(s)/computer administrators may review files and communications to maintain system integrity and ensure that users are using the system responsibly. Users should not expect that files stored on district servers will always be private. Users should expect all files stored on district servers will be available for review by the Director of Technology and/or school administrators.
Within reasonable limits, freedom of speech and access to information will be honored.

Behaviors including but not limited to the following are prohibited:

1. Sending or displaying offensive messages or pictures;
2. Using obscene language;
3. Harassing, insulting or attacking others;
4. Damaging, degrading or disrupting computers, computer systems or computer network(s)/computers;
5. Violating copyright laws;
6. Using another's password;
7. Trespassing in another's folders, work or files;
8. Intentionally wasting limited resources;
9. Employing the network(s)/computers for commercial purposes;
10. Engaging in other activities which do not advance the educational purposes for which computer network(s)/computers are provided;
11. Stealing data or other intellectual projects;
12. Forging electronic mail messages;
13. Posting anonymous messages;
14. Accessing school computers for other than educational purposes; and/or
15. Any other unethical, unacceptable, illegal and/or inappropriate activity.

Information Content and Uses of the System

Users agree not to publish on or over the system any information which violates or infringes upon the rights of any other person or any information which would be abusive, profane or sexually offensive to an average person, or which without the approval of the system administrators, contains any advertising or any solicitation of
other members to use goods or services. The user agrees not to use the facilities and capabilities of the system to conduct any non-school related business or solicit the performance of any activity which is prohibited by law or is non-educational.

While most of the content available on the Internet is innocuous and much of it a valuable educational resource, some objectionable material exists. The Board will provide pupil access to Internet resources only in supervised environments and has taken steps to lock out objectionable areas to the extent possible, but potential dangers remain. Support staff members are advised that some systems may contain defamatory, inaccurate, abusive, obscene, profane, sexually oriented, threatening, racially offensive, or otherwise illegal material and are to supervise pupil use of computers and the Internet. The Board and the system administrators do not condone the use of such materials and do not permit usage of such materials in the school environment. Support staff members should discipline pupils knowingly bringing such materials into the school environment in accordance with Board policies and regulations and inform pupils that such activities may result in termination of such pupils’ accounts on the computer network(s) and their independent use of computers.

On-line Conduct

Any action by a support staff member or other user of the school district’s computer network(s)/computers that is determined by a system administrator to constitute an inappropriate use of computer network(s)/computers resources or to improperly restrict or inhibit other members from using and enjoying those resources is strictly prohibited and may result in limitation on or termination of an offending member’s account and other action in compliance with the Board policy and regulation. The user specifically agrees not to submit, publish, or display any defamatory, inaccurate, abusive, obscene, profane, sexually oriented, threatening, racially offensive, or otherwise illegal material; nor shall a user encourage the use, sale, or distribution of controlled substances. Transmission of material, information or software in violation of any local, state or federal law is also prohibited and is a breach of the Consent and Waiver Agreement.

Users agree to indemnify the East Orange School District and the system administrators for any losses, costs, or damages, including reasonable attorneys’ fees incurred by the Board relating to, or arising out of any breach of this section by the user.

Computer network(s)/computer resources are to be used by the user for his/her educational use only; commercial uses are strictly prohibited.
Software Libraries on the Network(s)

Software libraries on the network(s) are provided to support staff members as an educational resource. No support staff member may install, upload, or download software without the expressed consent of the system administrator. Any software having the purpose of damaging other members’ accounts on the school district computer network(s) (e.g., computer viruses) is specifically prohibited. The system administrators, at their sole discretion, reserve the rights to refuse posting of files and to remove files. The system administrators, at their sole discretion, further reserve the right to immediately limit usage or terminate the account or take other action consistent with the Board’s policies and regulations of a member who misuses the software libraries.

Copyrighted Material

Copyrighted material must not be placed on any system connected to the network(s) without the author’s specific written permission. Only the owner(s) or persons they specifically authorize may upload copyrighted material to the system. Members may download copyrighted material for their own use in accordance with Policy and Regulation Nos. 2531, Copying Copyrighted Materials. Any member may also noncommercially redistribute a copyrighted program with the expressed written permission of the owner or authorized person. Permission must be specified in the document, on the system, or must be obtained directly from the author.

Public Posting Areas (Message Boards/Usenet Groups)

Usenet and Internet Relay Chat Room messages are posted from systems connected to the Internet around the world and the school district system administrators have no control of the content of messages posted from these other systems. To best utilize system resources, the system administrators will determine which Usenet groups are most applicable to the educational needs of the school district and will carry these groups on the school district computer network(s). The system administrators or the school administration, at their sole discretion, may remove messages posted locally that are deemed to be unacceptable or in violation of the Board policies and regulations. The system administrators or the school administration, at their sole discretion, further reserve the right to immediately terminate the account of a member who misuses the message boards or Usenet groups.
Real-time, Interactive, Communication Areas

The system administrators, at their sole discretion, reserve the right to monitor and immediately limit the use of the computer network(s)/computers or terminate the account of a member who misuses real-time conference features (talk/chat/Internet relay chat) etc.

Electronic Mail

Electronic mail ("E-mail") is an electronic message sent by or to a member in correspondence with another person having Internet mail access. All messages sent and received on the school district computer network(s) must have an educational or administrative purpose and are subject to review. A sender of an E-mail message should expect the E-mail messages will be reviewed by the system administrators or the school administration. Messages received by the system are retained on the system until deleted by the recipient or for a maximum of thirty calendar days. A canceled account will not retain its E-mail. Members are expected to remove old messages within thirty calendar days or the system administrators may remove such messages. The system administrators may inspect the contents of E-mail sent by one member to an addressee, or disclose such contents to other than the sender or a recipient when required to do so by the Board policy, regulation or other laws and regulations of the State and Federal governments. The Board reserves the right to cooperate fully with local, state, or federal officials in any investigation concerning or relating to any E-mail transmitted on the school district computer network(s) or computers.

Disk Usage

The system administrators reserve the right to set quotas for disk usage on the system. A member who exceeds his/her quota of disk space will be advised to delete files to return to compliance with predetermined quotas. A member who remains in noncompliance of disk space quotas after seven school days of notification will have their files removed by a system administrator.

Security

Security on any computer system is a high priority, especially when the system involves many users. If a member feels that he/she can identify a security problem on the computer network(s), the member must notify a system administrator. The member should not inform individuals other than the system administrators or other designated...
members of the school district staff of a security problem. Professional staff may allow individuals who are not members to access the system through the staff personal account as long as the staff person does not disclose the password of the account to the individuals and understands that the staff person assumes responsibility for the actions of individuals using his/her account. Members may not otherwise allow others to use their account and password. Passwords to the system should not be easily guessable by others, nor should they be words which could be found in a dictionary. Attempts to log in to the system using either another member's account or as a system administrator will result in termination of the account. Members should immediately notify a system administrator if a password is lost or stolen, or if they have reason to believe that someone has obtained unauthorized access to their account. Any member identified as a security risk will have limitations placed on usage of the computer network(s)/computers or may be terminated as a user and be subject to other disciplinary action.

Vandalism

Vandalism will result in cancellation of system privileges and other disciplinary measures. Vandalism is defined as any malicious attempt to harm or destroy data of another user, the system, or any of the agencies or other network(s)/computers that are connected to the Internet backbone or of doing intentional damage to hardware or software on the system. This includes, but is not limited to, the uploading or creation of computer viruses.

Printing

The printing facilities of the computer network(s)/computers should be used judiciously. Printing for other than educational, or school related purposes is prohibited.

Violations

Violations of the Acceptable Use of Computer Network(s)/Computers and Resources may result in a loss of access as well as other disciplinary or legal action. Disciplinary action shall be taken as indicated in Policy and Regulation No. 4321, Support Staff Members, Acceptable Use of Computer Network(s)/Computers and Resources, Policy No. 4150, Support Staff Member Discipline, as well as possible legal action and reports to the legal authorities and entities.
Determination of Consequences for Violations

The particular consequences for violations of this policy shall be determined by the Chief Information Officer in matters relating to the use of computer network(s)/computers and by the Superintendent or designee in matters of discipline or employee suspension or actions by the authorities deemed to be the appropriate course of action.

Individuals violating this policy shall be subject to the consequences as indicated in Policy No. 2361 and other appropriate discipline which includes but are not limited to:

1. Use of Computer Network(s)/Computers only under direct supervision;
2. Suspension of network privileges;
3. Revocation of network privileges;
4. Suspension of computer privileges;
5. Revocation of computer privileges;
6. Suspension from employment;
7. Legal action and prosecution by the authorities.

Decisions of the Chief Information Officer may be appealed in accordance with the appropriate employee grievance procedure.

4322 STAFF MEMBER’S USE OF CELLULAR TELEPHONES

The East Orange Board of Education recognizes a school support staff member may have the need to make a personal telephone call during their workday when the telephone call cannot be made before the staff member reports to work and/or after the staff member's workday has concluded.

In the event the staff member has an occasion to make a personal telephone call during their workday, and the telephone call is of such a nature that it cannot be made before the staff member’s workday begins or after the workday has concluded, the school staff member may make a personal telephone call using their personal cellular telephone during the workday provided the telephone call is made during the staff member’s free lunch/break periods and is made outside the presence of pupils either in an area inside or outside the school building designated by the staff member’s Building Principal or immediate supervisor unless otherwise permitted by the immediate supervisor or Building Principal.

A personal telephone call by a support staff member on their personal cellular telephone shall not be made while the support staff member is performing assigned school district responsibilities.

In the event the staff member has an emergency requiring immediate attention that requires the personal use of their personal cellular telephone, the support staff member shall inform their Building Principal or immediate supervisor before making the call or immediately after using the cellular telephone, depending on the nature of the emergency.

Adopted: 3 December 2008
4324 **RIGHT OF PRIVACY**

The Board of Education will provide facilities and school district-owned property to assist staff members in their job responsibilities or for the staff members’ convenience. These facilities or district-owned property may include, but are not limited to, an office, a storage closet, a filing cabinet, a locker, and/or a desk. The Principal or designee may provide a staff member with exclusive use and access to such facilities or school district-owned property or may require the facility or school district-owned property be shared with other staff members. The staff member may be provided a lock or key by the school district or may secure the facility or school district-owned property using their own locking device with permission from the Principal or designee.

School staff members should be aware their expectation of privacy in these facilities and/or the school district-owned property provided by the Board of Education is reduced by virtue of actual office practices and procedures, for searches conducted pursuant to an investigation of work-related employee misconduct, or by legitimate school district policies or regulations. In addition, staff members shall have a reduced expectation of privacy in these facilities and school district-owned property if there is reasonable suspicion the staff member is violating a law or school policy. School staff members shall be on notice this reduced expectation of privacy may result in such facilities and/or school district-owned property being searched without a search warrant. In order to avoid exposing personal belongings to such a search, school staff members are discouraged from storing personal and effects in these facilities or school district-owned property.

4352 SEXUAL HARASSMENT

The Board of Education recognizes that an employee's right to freedom from employment discrimination includes the opportunity to work in an environment untainted by sexual harassment. Sexually offensive speech and conduct are wholly inappropriate to the harmonious employment relationships necessary to the operation of the school district and intolerable in a workplace to which the children of this district are exposed.

Sexual harassment includes all unwelcome sexual advances, requests for sexual favors, and verbal or physical contacts of a sexual nature that would not have happened but for the employee's gender. Whenever submission to such conduct is made a condition of employment or a basis for an employment decision, or when such conduct is severe and pervasive and has the purpose or effect of unreasonably altering or interfering with work performance or creating an intimidating, hostile, or offensive working environment, the employee shall have cause for complaint.

The sexual harassment of any employee of this district is strictly forbidden. Any employee or agent of this Board who is found to have sexually harassed an employee of this district will be subject to discipline, which may include termination of employment. Any employee who has been exposed to sexual harassment by any employee or agent of this Board is encouraged to report the harassment to an appropriate supervisor. An employee may complain of any failure of the Board to take corrective action by recourse to the procedure by which a discrimination complaint is processed. The employee may appeal the Board's action or inaction to the New Jersey Division on Civil Rights or to the United States Equal Employment Opportunity Commission. Complaints regarding sexual harassment shall be submitted following the procedures outlined in Regulation 1530, Equal Employment Opportunity.

The Affirmative Action Officer shall instruct all employees of this Board to recognize and correct speech and behavior patterns that may be sexually offensive with or without the intent to offend.

Adopted: 3 December 2008
R 4352 SEXUAL HARASSMENT OF SUPPORT STAFF MEMBERS
COMPLAINT PROCEDURE

Sexual harassment of school staff members is prohibited by the Board of Education. The Superintendent and school district staff will use the following methods to investigate and resolve allegations of sexual harassment of school staff members.

A. Definitions

1. Gender-based Harassment - Gender-based harassment that includes acts of verbal, nonverbal, physical aggression, intimidation, or hostility based on gender, but not involving conduct of a sexual nature, may be a form of sex discrimination if it is sufficiently severe, persistent, or pervasive and directed at individuals because of their gender.

2. Hostile Environment Sexual Harassment - Sexual harassing conduct (which can include unwelcomed sexual advances, requests for sexual favors or other favors, or other verbal, nonverbal or physical conduct of a sexual nature) by a school staff member that is sufficiently severe, persistent, or pervasive to limit another staff member's ability to participate in a workplace environment or activity, or to create a hostile or abusive workplace environment.

3. Quid Pro Quo Harassment - When a school staff member explicitly or implicitly conditions another school staff member's conditions of employment on the staff member's submission to unwelcomed sexual advances, requests for sexual favors, or other favors, or other verbal, nonverbal or physical conduct of a sexual nature. Quid Pro Quo Harassment is equally unlawful whether the staff member resists and suffers the threatened harm or submits and thus avoids the threatened harm.

B. Grievance Procedure

The following Grievance Procedure shall be used for an allegation(s) of harassment of school staff members by other school staff members:

1. Reporting of Sexual Harassment Conduct
a. Any person with any information regarding actual and/or potential sexual harassment of a staff member must report the information to the school Building Principal, their immediate supervisor or the Affirmative Action Officer.

b. The school district can learn of sexual harassment through other means such as from a witness to an incident, an anonymous letter, or telephone call.

c. A report to the school Building Principal or an immediate supervisor will be forwarded to the school district Affirmative Action Officer within one working day, even if the school Building Principal or immediate supervisor feels sexual harassment conduct was not present.

d. In the event the report alleges conduct by the Building Principal or the Affirmative Action Officer, the Superintendent will designate a school official to assume the Building Principal’s or Affirmative Action Officer’s responsibilities, as outlined in Policy No. 4352 and this Regulation.

2. Affirmative Action Officer’s Investigation

a. Upon receipt of any report of potential sexual harassment conduct, the Affirmative Action Officer will begin an immediate investigation. The Affirmative Action Officer will promptly investigate all alleged complaints of sexual harassment, whether or not a formal grievance is filed and steps will be taken to resolve the situation, if needed. This investigation will be prompt, thorough, and impartial. The investigation will be completed no more than ten working days after receiving notice.

b. When a school staff member provides information or complains about sexual harassment, the Affirmative Action Officer will initially discuss what actions the staff member is seeking in response to the harassment.
c. The Affirmative Action Officer’s investigation may include, but is not limited to, interviews with all persons with potential knowledge of the alleged conduct, interviews with any staff member(s) who may have been sexually harassed in the past by the school staff member and any other reasonable methods to determine if sexual harassment conduct existed.

d. The Affirmative Action Officer may request a staff member involved in the investigation to assist in the investigation.

e. The Affirmative Action Officer will provide a copy of Board Policy and Regulation No. 4352 to all persons who are interviewed with potential knowledge, upon request, and to any other person the Affirmative Action Officer feels would be served by a copy of such documents.

f. Any person interviewed by the Affirmative Action Officer may be provided an opportunity to present witnesses and other evidence.

3. Investigation Results

a. Upon the conclusion of the investigation, but not later than ten working days after reported to the Affirmative Action Officer, the Affirmative Action Officer will prepare a summary of findings to the parties. At a minimum, this summary shall include the person(s) providing notice to the school district and the staff member(s) who was alleged to be sexually harassed.
b. The Affirmative Action Officer shall make a determination whether sexual harassment conduct was present.

c. If the Affirmative Action Officer concludes sexual harassment conduct was not, or is not present, the investigation is concluded.

d. If the Affirmative Action Officer determines that sexual harassment has occurred, the school district administration shall take reasonable and effective corrective action, including steps tailored to the specific situation. Appropriate steps will be taken to end the harassment such as counseling, warning, and/or disciplinary action. The steps will be based on the severity of the harassment or any record of prior incidents or both. A series of escalating consequences may be necessary if the initial steps are ineffective in stopping the harassment.

e. In the event the Affirmative Action Officer determines a hostile environment exists, the Superintendent shall take steps to eliminate the hostile environment. The school district may need to deliver special training or other interventions to repair the educational environment. Other measures may include directing the harasser to apologize to the harassed staff member, dissemination of information, distribution of new policy statements or other steps to communicate the message that the Board does not tolerate harassment and will be responsive to any school staff member that reports such conduct.

f. In some situations, the school district may need to provide other services to the staff member that was harassed, if necessary, to address the effects of the harassment on that staff member. Depending on the type of harassment found, these additional services may include an independent re-assessment of the harassed staff member’s work performance, counseling and/or other measures that are appropriate to the situation.
g. The Superintendent will take steps to avoid any further sexual harassment and to prevent any retaliation against the staff member who made the complaint, was the subject of the harassment, or against those who provided the information or were witnesses. The Affirmative Action Officer will inform the sexually harassed staff member to report any subsequent problems and will make follow-up inquiries to see if there have been any new incidents or retaliation.

h. All sexual harassment grievances and accompanied investigation notes will be maintained in a confidential file by the Affirmative Action Officer.

4. Affirmative Action Officer’s Investigation Appeal Process

a. Any person found by the Affirmative Action Officer’s investigation to be guilty of sexual harassment conduct, or any person who believes they were sexually harassed but not supported by the Affirmative Action Officer’s investigation, may appeal to the Superintendent. The Superintendent will make his/her determination within ten working days of receiving the appeal.

b. Any person who is not satisfied with the Superintendent’s determination may appeal to the Board. The Board will make its determination within forty-five calendar days of receiving an appeal from the Superintendent’s determination.

C. Office Of Civil Rights (OCR) Case Resolution

Persons not satisfied with the resolution of an allegation of sexual harassment by school district officials or the Board may request the Office of Civil Rights (OCR) of the United States Department of Education to investigate the allegations.

1. Any alleged victim of sexual harassment may appeal a decision of the Affirmative Action Officer, Superintendent, or the Board to the Office of Civil Rights (OCR).
2. Any person may report an allegation of sexual harassment to the OCR at any time. If the OCR is asked to investigate or otherwise resolve incidents of sexual harassment of school staff members, OCR will consider whether:

   a. The school district has a policy prohibiting sexual harassment and a grievance procedure;

   b. The school district appropriately investigated or otherwise responded to allegations of sexual harassment; and

   c. The school district has taken immediate and appropriate corrective action responsive to Quid Pro Quo or Hostile Environment Harassment.
The Board of Education directs that the tenure status of support staff members be determined only in accordance with law and this policy and such contractual terms as may have been negotiated with the employee's majority representative.

Persons employed as custodians and maintenance personnel including supervisory personnel will be employed on fixed term contracts and will not acquire tenure in their positions.

The Board will not grant tenure to any employee for whom such tenure has not been provided in law or in a contract negotiated by this Board.

Adopted: 3 December 2008
PROTECTION AGAINST RETALIATION

The Board of Education will take no retaliatory action, by discharge, demotion, suspension, or any other adverse action, against an employee because that employee has conscientiously:

1. Disclosed or threatened to disclose to a supervisor or public body an activity, policy, or practice of this Board or any district officer that the employee reasonably believes to be in violation of law or rule;

2. Provided information to a public body conducting an investigation, hearing, or inquiry into any alleged violation of law by the Board or an officer of this district; or

3. Objected to or refused to participate in an activity, policy, or practice of this district that the employee reasonably believes to be in violation of law or rule, fraudulent, criminal, or incompatible with a clear mandate of public policy concerning the public health, safety, or welfare or protection of the environment.

An employee who has reason to believe that the Board has engaged in an illegal activity or an activity contrary to public policy must report that belief in writing to the Superintendent before notice is given to a supervisor or a public body. The Superintendent shall promptly report the same to the Board and institute an investigation of the reported activity. The findings of the investigation will be reported in writing to the Board and to the employee.

The protection of law and this policy apply only to employees who have given notice in accordance with this policy and have afforded the Board a reasonable period of time to take any corrective action that may be required or have acted in circumstances that the employee believes in good faith constitute an emergency.

The Superintendent shall post notice of this policy and inform employees of their rights under the New Jersey Conscientious Employee Protection Act.

The Board of Education will permit, in accordance with law, the absence without loss of pay or of annual or accumulated sick leave benefits of a support staff member disabled by accident or injury arising out of and in the course of employment. Any such employee shall seek the workers' compensation benefits to which he/she is entitled by law.

An employee whose disability has qualified for the receipt of workers' compensation benefits shall be presumed eligible for work related disability pay under this policy. When an employee's disability is so brief as to preclude the employee's application for worker's compensation benefits, the employee may request and the Board may grant work related disability pay.

Any employee who qualified for work related disability pay under this policy shall receive full pay during the period he/she is on disability leave of absence, up to one calendar year.

As a condition of receiving full salary, an employee who receives workers' compensation benefits for his/her work-related disability must endorse and deliver to the Board all workers' compensation temporary disability checks received for the period covered by this policy.

4425.1 MODIFIED DUTY EARLY RETURN TO WORK PROGRAM – SUPPORT STAFF MEMBERS

New Jersey’s workers' compensation laws provide lost wages and pay medical expenses for an employee who sustains an injury as a result of an on-the-job accident, injury, or occupational disease. Workers' compensation is designed to protect school district employees and their families against the hardships from injury arising in the workplace. In an effort to assist school staff in recovering from an eligible workers’ compensation injury, the Board provides a Modified Duty Early Return To Work Program. The Program is provided to staff members who have been injured on the job, but who are not permanently disabled. The Program is intended to minimize the negative psychological impact to an injured staff member due to being out of work and to provide a transition and adjustment period for the injured staff member to return to work while recovering from an on-the-job injury.

The school district may assign temporary modified duties and responsibilities to staff members that have sustained an eligible workers’ compensation injury. These employees may temporarily perform duties and responsibilities that may or may not be within their job description, or may or may not be within their department. The modified duties and/or responsibilities will be within the injured staff member’s capabilities and a staff member will not be assigned any modified duties and/or responsibilities that require any certifications/licenses that are not possessed by the injured staff member.

The modified duties and responsibilities will be determined by the Director for Human Resources, the district’s designated Workers’ Compensation Coordinator, after a medical examination and evaluation of the injured staff member by the Board’s designated workers’ compensation physician. The Workers’ Compensation Coordinator will determine if the injured staff member is eligible for modified duties or responsibilities. This determination will be based on:

1. The workers’ compensation physician’s examination and evaluation report;

2. The injured staff member’s capabilities to assume modified duties or responsibilities;
3. The availability of modified duties and responsibilities within the district at the time; and/or

4. Other issues that may impact the district’s ability to assign modified duties and responsibilities.

This Modified Duty Early Return to Work Program will be administered consistent with applicable federal and State laws and in accordance with provisions of collective bargaining agreements within the district.

Adopted: 3 December 2008
R 4425.1 **MODIFIED DUTY EARLY RETURN TO WORK PROGRAM – SUPPORT STAFF MEMBERS**

The Modified Duty Early Return to Work Program shall be administered by the Director of Human Resources, the district’s designated Workers’ Compensation Coordinator.

A. **Filing a Claim Report**

1. A staff member must file a written Workers’ Compensation Report if they have been injured in the performance of their job. This Report will be available in the main office and the nurse’s office in each school building and in the Coordinator’s office.

2. Upon sustaining an on-the-job injury, the staff member shall immediately report the injury to their immediate supervisor and report to the school nurse. If the injured staff member is not assigned to a school building with a school nurse, the school staff member shall immediately contact the Coordinator’s office. The Coordinator, or designee, will direct the injured staff member to a school’s main office, a school nurse, or the workers’ compensation physician.

   a. In the event the injury requires immediate medical treatment, the staff member may be directed to the workers’ compensation physician or to the hospital emergency room. In this case, the Report shall be completed by the staff member whenever practical.

   b. In the event the staff member gets injured when schools are closed or after business hours and the staff member believes the injury requires immediate medical treatment the staff member shall:

      (1) Go to the hospital emergency room; and

      (2) Notify their immediate supervisor as soon as possible after the injury.
c. In the event the injured staff member goes to the hospital emergency room when schools are closed, the staff member must report the injury to the Coordinator the next business day. The Coordinator may direct the injured staff member to a school nurse or to the workers’ compensation physician. All future medical treatment for the injured staff member shall be scheduled through the Coordinator’s office.

d. In the event the staff member gets injured when schools are closed or after business hours and the staff member believes the injury does not require immediate medical treatment, the staff member shall:

(1) Immediately notify their immediate supervisor; and

(2) Notify the Coordinator’s office the next business day.

3. The Workers’ Compensation Report shall be forwarded to the Coordinator’s office as soon as it is completed by the injured staff member.

a. In the event the staff member requires a physician’s examination and evaluation, the Coordinator’s office will schedule the appointment with the workers’ compensation physician’s office and the staff member.

4. Any staff member injured on-the-job and the injury causes the staff member to miss work time or prohibits the staff member from fulfilling all their job responsibilities must be examined by the workers’ compensation physician. The Coordinator will authorize workers’ compensation time off from work for a staff member injured on-the-job only after the staff member has been examined by the worker’s compensation physician. The Coordinator may, upon certain circumstances, authorize workers’ compensation time from work without requiring an examination by the workers’ compensation physician.
5. The Modified Duty Early Return to Work Policy will be attached to the Workers’ Compensation Report and this Regulation will be provided to the injured staff member upon request.

B. Physician’s Workers’ Compensation Examination and Evaluation

1. The Coordinator will provide the workers’ compensation physician a job description and a list of required tasks for positions in the school district.

2. Upon completing the medical examination and evaluation, the workers’ compensation physician will prepare a report indicating the staff member’s physical limitations, if any, that prevent the staff member from completing the staff member’s job responsibilities. The workers’ compensation physician’s report will also include a diagnosis, to the best of the physician’s ability, on the length of recovery for each limitation. The physician’s report will be forwarded to the Coordinator.

3. The Coordinator will review the workers’ compensation physician’s report and follow-up with the workers’ compensation physician and the staff member if the Coordinator needs more information to make a determination if modified duty is an option for the injured staff member.

C. Modified Duty Restriction

1. There is no permanent modified duty and all modified duty positions are temporary.

2. Upon reviewing the workers’ compensation physician’s report, the Coordinator will determine if temporary modified duty is appropriate for the staff member. The Coordinator may determine the staff member should be out of work until such time the staff member is able to return to work to assume all their job responsibilities. The Coordinator may also determine a date in the future for the staff member to return to work to assume temporary modified duties.

3. A medical review and examination by the workers’ compensation physician may be required to continue a modified duty assignment beyond sixty calendar days.
4. The Board reserves the right to require a staff member returning from modified duty to submit to a physical examination before returning to their position to assume all the job responsibilities of their position.

5. There will be communications among the Coordinator, the injured staff member’s supervisor, the staff member, the workers’ compensation physician, and the workers’ compensation insurance provider throughout the course of treatment and recovery of the injured staff member.

6. A tracking system will be established for documenting a staff member’s status in the Modified Duty Program.

D. Assignment of Job Tasks

1. Assigning modified duty to staff members will be decided on a case-by-case basis.

2. Job tasks for staff members on modified duty will be determined and assigned within the limitations established and approved by the workers’ compensation physician.

3. The injured staff member’s immediate supervisor shall provide periodic status reports to the Coordinator for any staff member assigned modified duty.

4. There is no restriction on the school district location or the type of modified duties assigned to a staff member provided it is consistent with the limitations detailed by the workers’ compensation physician. These modified duties may be assigned to a full or partial day schedule depending on the staff member’s limitations.

5. The modified duties and/or responsibilities will be within the injured staff member’s capabilities and a staff member will not be assigned any modified duties and/or responsibilities that require any certifications/licenses that are not possessed by the injured staff member.
E. Staff Member Requirements

1. Staff members shall perform the job tasks designated by the workers' compensation physician in the physician's report and assigned by the Coordinator. In the event these job tasks cause discomfort, the staff member shall discontinue the specific activity and inform their immediate supervisor. The immediate supervisor will report this information to the Coordinator, who will schedule a medical appointment for the staff member.

2. Staff members are required to follow the Coordinator's directives regarding:

   a. Job assignments and tasks;

   b. Attending scheduled doctors' appointments; and

   c. Completing and transmitting reports to and from the workers' compensation physician, their immediate supervisor, and the Coordinator's office.

F. Compliance With Laws

The Modified Duty Early Return To Work Program shall be administered consistent with the applicable federal and State laws and in accordance with provisions of collective bargaining agreements within the district.

A. Introduction

The Board will provide family leave in accordance with the Federal Family and Medical Leave Act (FMLA) and the New Jersey Family Leave Act (NJFLA).

FMLA leave for eligible staff members shall be up to twelve weeks leave of absence in any twelve month period upon advance notice to the district for the birth of a son or daughter of the staff member and in order to care for such son or daughter; for the placement of a son or daughter with the staff member for adoption or foster care; in order to care for the spouse, son, daughter, or parent of the staff member if such spouse, son, daughter, or parent has a serious health condition; or for a serious health condition that makes the staff member unable to perform the functions of the position of such staff member.

NJFLA leave for support staff members shall be up to twelve weeks leave of absence in any twenty-four month period upon advance notice to the district so that a staff member may provide care made necessary by the birth of a child of the staff member, the placement of a child with the staff member in connection with adoption of such child by the staff member, and the serious health condition of a spouse, parent, or child.

B. Applicability

The Board will comply with requirements of the New Jersey and Federal Family Leave laws. The laws have similar and different provisions that may provide different rights and obligations for the staff member and/or the Board. The staff member shall be afforded the most favorable rights if there is a conflict in the rights afforded to the staff member under the two laws.

1. If the staff member is eligible for leave for reasons provided under the FMLA and NJFLA, then the time taken shall be concurrent and be applied to both laws.

2. The NJFLA provides twelve weeks leave in a twenty-four month period while the FMLA provides twelve weeks leave in a twelve-month period. A staff member is eligible for up to twelve weeks leave in the first twelve months of the twenty-four month period under the NJFLA. A staff member is eligible for up to twelve weeks leave in the second twelve-month period under the FMLA.
3. In the event the reason for the family leave is recognized under one law and not the other law, the staff member is eligible for each law’s leave entitlements within one twelve-month period. (Example: A staff member may use their FMLA leave for a twelve week family leave for their own pregnancy, which is considered a “serious health condition” under FMLA, and upon conclusion of the twelve week FMLA leave, the staff member would be eligible for a twelve week NJFLA leave to care for their newborn or any other reasons pursuant to the NJFLA.)

C. Definitions

1. Federal Family and Medical Leave Act (FMLA)

   “Son” or “daughter” means a biological, adopted or foster child, stepchild, legal ward, or a child of a person standing in loco parentis, who is under eighteen years of age or eighteen years of age or older but incapable of self-care because of a mental or physical impairment.

   “Parent” means the biological parent of a staff member or an individual who stood in loco parentis to a staff member when the staff member was a son or daughter. This term does not include parents “in law.”

   “Serious health condition” means an illness, injury, impairment, or physical or mental condition which meets one of the following conditions:

   a. Inpatient care in a hospital, hospice, or residential medical care facility

   b. Continuing medical treatment or continuing supervision by a health care provider. A used in this definition, “continuing medical treatment or continuing supervision by a health care provider” means a period of incapacity (that is, inability to work, attend school or perform regular daily activities due to a serious health condition, treatment therefore and recovery there from) of more than three consecutive days, and any subsequent treatment or period of incapacity relating to the same condition, that also involves:
i. Treatment two or more times by a health care provider, or

ii. Treatment by a health care provider on one occasion which results in a regimen of continuing treatment under the supervision of a health care provider;

c. A period of incapacity due to pregnancy, or for prenatal care;

d. Any period of incapacity or treatment for such incapacity due to a chronic serious health condition;

e. A period of incapacity, which is permanent or long-term due to a condition for which treatment may not be effective (such as Alzheimer’s disease, a severe stroke or the terminal stages of a disease) where the individual is under continuing supervision of, but need not be receiving active treatment by, a health care provider; or

f. Any period of absence to receive multiple treatments (including any period of recovery there from) by a health care provider or by a provider of health care services under orders of, or on referral by a health care provider, either for restorative surgery after an accident or other injury, or for a condition that would likely result in a period of incapacity or more than three consecutive calendar days in the absence of medical intervention or treatment, such as cancer (chemotherapy, radiation, etc.), severe arthritis (physical therapy) or kidney disease (dialysis).

“Week” is the number of days an employee normally works each calendar week.

“Staff member” means an employee eligible for family and medical leave in accordance with the Federal Family and Medical Leave Act (FMLA).

“Qualifying exigency” may include things such as making arrangements for childcare (but not ongoing childcare), making financial and legal arrangements, attending counseling relating to the active duty of the service member, or attending to farewell or arrival arrangements for the service member.
"Next of kin" is the nearest blood relative (other than the service member's spouse, parent, son or daughter) in the following order of priority: blood relatives who have been granted legal custody of the service member, siblings, grandparents, aunts and uncles, and first cousins, unless the service member has designated in writing a different blood relative for purposes of military caregiver leave.

“Covered service member” is a member of the Armed Forces (including a member of the National Guard or Reserves) who is undergoing medical treatment, recuperation, or therapy, is otherwise in outpatient status, or is otherwise on the temporary disability retired list, for a serious injury or illness; or a veteran who is undergoing medical treatment, recuperation, or therapy, for a serious injury or illness and who was a member of the Armed Forces (including a member of the National Guard or Reserves) at any time during the period of 5 years preceding the date on which the veteran undergoes that medical treatment, recuperation, or therapy.

“Active duty or call to active duty” is only made to members of the National Guard or Reserve components or a retired member of the Regular Armed Forces or Reserve. Therefore, an employee may not take exigency leave if the service member is a member of the Regular Armed Forces.

2. New Jersey Family Leave Act (NJFLA)

“Child” means a biological, adopted or foster child, stepchild, legal ward, child of a parent who is under eighteen years of age or a child eighteen years of age or older but incapable of self-care because of a mental or physical impairment.

“Parent” is a biological, adoptive, or foster parent; step-parent; parent-in-law; a legal guardian having a “parent-child relationship” with a child as defined by law; or a person who has sole or joint legal or physical custody, care, guardianship, or visitation with a child.

“Serious health condition” is an illness, injury, impairment, or physical or mental condition that requires inpatient care in a hospital, hospice, or residential medical facility or continuing medical treatment or continuing supervision by a health care provider.
“Week” is the number of days an employee normally works each calendar week.

“Staff member” is an employee eligible for family leave in accordance with the New Jersey Family Leave Act.

D. Eligibility

1. Federal Family and Medical Leave Act (FMLA)

A staff member shall become eligible for FMLA leave after he/she has been employed at least twelve months in this district and employed for at least 1250 hours of service during the twelve-month period immediately preceding the commencement of the leave. The twelve months the staff member must have been employed need not be consecutive months pursuant to 29 CFR Part 825 Section 110(b). The minimum 1250 hours of service shall be determined according to the principles established under the Fair Labor Standards Act (FSLA) for determining compensable hours of work pursuant to 29 CFR Part 785. Entitlement to FMLA leave taken for the birth of a son or daughter or placement of a son or daughter with the staff member for adoption or foster care shall expire at the end of the twelve-month period beginning on the date of such birth or placement.

Pursuant to 29 CFR Part 825 Section 202, a husband and wife both employed by the district are limited to a combined total of twelve weeks of leave during the twelve-month period if the leave is taken for the birth of a son or daughter of the staff member or to care for such son or daughter after birth; for placement of a son or daughter with the staff member for adoption or foster care or in order to care for the spouse, son, daughter, or parent of the staff member with a serious health condition.

The method to determine the twelve-month period in which the twelve weeks of FMLA leave entitlement occurs will be a “rolling” twelve-month period measured backward from the date a staff member uses any family leave.
A staff member during any period of FMLA leave is prohibited from performing any services on a full-time basis for any person for whom the staff member did not provide services immediately prior to commencement of the leave. A staff member using FMLA leave may commence part-time employment that shall not exceed half the regularly scheduled hours worked for the district. The staff member may continue the part-time employment that commenced prior to the FMLA leave at the same number of hours that the staff member was regularly scheduled prior to such leave.

2. New Jersey Family Leave Act (NJFLA)

A staff member shall become eligible for NJFLA leave after he/she has been employed at least twelve months in this district for not less than 1,000 base hours, excluding overtime, during the immediate preceding twelve month period. The calculation of the twelve-month period to determine eligibility shall commence with the commencement of the NJFLA leave. NJFLA leave taken for the birth or adoption of a healthy child may commence at any time within a year after the date of the birth or placement for adoption.

A staff member during any period of the NJFLA leave is prohibited from performing any services on a full-time basis for any person for whom the staff member did not provide services immediately prior to commencement of the leave. A staff member on NJFLA leave may commence part-time employment that shall not exceed half the regularly scheduled hours worked for the district. The staff member may continue the part-time employment that commenced prior to the NJFLA leave at the same number of hours that the staff member was regularly scheduled prior to such leave.

The method to determine the twenty-four month period in which the twelve weeks of NJFLA leave entitlement occurs will be a “rolling” twenty-four month period measured backward from the date a staff member uses any leave.

E. Types of Leave

1. Federal Family and Medical Leave Act (FMLA)
A staff member may take FMLA leave in consecutive weeks, as intermittent leave, or as reduced leave. A staff member who requests intermittent or reduced leave shall make a reasonable effort to schedule such leave so as not to unduly disrupt the instructional/educational program.

a. Leave for the birth of a son or daughter or placement of a son or daughter with the staff member for adoption or foster care may not be taken by a staff member intermittently or on a reduced leave schedule.

b. Leave may be taken intermittently or on a reduced leave schedule when medically necessary for planned and/or unanticipated medical treatment of a related serious health condition by or under the supervision of a health care provider, or for recovery from treatment or recovery from a serious health condition.

c. Intermittent leave means leave scheduled for periods of time from one hour or more to several weeks; however, the total time within which the leave is taken cannot exceed a twelve month period for each serious health condition episode. Intermittent leave may be taken for a serious health condition that requires periodic treatment by a health care provider, rather than one continuous period of time. Intermittent leave may also be taken for absences where the staff member is incapacitated or unable to perform the essential functions of the position because of a serious health condition even if the staff member does not receive treatment by a health care provider. The staff member shall make a reasonable effort to schedule intermittent leave so as not to unduly disrupt the operations of the instructional/educational program.

d. Reduced leave means leave scheduled for fewer than the staff member’s usual number of hours worked per workweek, but not fewer than a staff member’s usual number of hours worked per workday, unless otherwise agreed to by the staff member and the district. A staff member is entitled, at the option of the staff member, to take leave on a reduced leave schedule not exceeding twenty-four consecutive weeks. The staff member shall make a reasonable effort to schedule reduced leave so as not to unduly disrupt the operations of the instructional/educational program.
The staff member shall provide the district prior notice of the care, medical treatment or continuing supervision by a health care provider necessary due to a serious health condition of a family member in a manner that is reasonable and practicable. Leave taken on a reduced leave schedule shall not result in a reduction of the total amount of leave to which a staff member is entitled.

e. The fact that a holiday may occur within the week taken by a staff member as Family Leave has no effect and the week is counted as a week of Family Leave. However, if the staff member is out on Family Leave and the school district is closed and the staff member would not be expected to report for work for one or more weeks, the weeks the school district is closed for this staff member do not count against the staff member’s family leave entitlement.

Any leave time remaining after a staff member has exhausted his/her entitlement to intermittent leave in any twelve month period may be taken as consecutive leave or reduced leave, and any leave time remaining after a staff member has exhausted his/her entitlement to reduced leave in any twelve month period may be taken as consecutive leave or intermittent leave.

f. “Instructional employees” as defined in 29 CFR 825 Section 600(c) are those staff members whose principle function is to teach and instruct pupils in class, a small group, or in an individual setting. This term includes teachers, athletic coaches, driving instructors, and special education assistants, such as signers for the hearing impaired. Teacher assistants or aides who do not have as their principal job actual teaching or instructing, guidance counselors, child study team members, curriculum specialists, cafeteria workers, maintenance workers and/or bus drivers are not considered instructional employees for the purposes of this policy. Semester as defined in 29 CFR 825 section 602(a)(3)(b) means the school semester that typically ends near the end of the calendar year and the end of the spring each school year. A school district can have no more than two semesters in a school year.
i. Leave taken at the end of the school year and continues into the beginning of the next school year is considered consecutive leave. Should the employee's position require annual certification, it shall be the staff member's obligation to recertify to remain eligible for employment.

ii. In accordance with 29 CFR 825 section 601(a)(1), eligible instructional staff members that need intermittent or reduced leave to care for a family member, or for the staff member's own serious health condition which is foreseeable based on planned medical treatment and the staff member would be on leave more than twenty percent of the total number of working days over the period the leave would extend, the district:

(a) May require the staff member to take the leave for a period or periods of a particular duration, not greater than the duration of the planned treatment; or

(b) Transfer the staff member temporarily to an available alternative position for which the staff member is qualified, which has equivalent pay and benefits and which better accommodates recurring periods of leave than does the staff member's regular position.

iii. If the instructional staff member does not give the required notice for leave that is foreseeable and desires the leave to be taken intermittently or on a reduced leave schedule, the district may require the staff member to take leave of a particular duration, or to transfer temporarily to an alternative position. Alternatively, the district may require the staff member to delay taking the leave until the notice provision is met.
iv. In accordance with 29 CFR 825 Section 602, if an instructional staff member begins leave more than five weeks before the end of the school year, the district may require the staff member to continue taking leave until the end of the semester if:

(a) The leave will last three weeks, and

(b) The staff member would return to work during the three-week period before the end of the semester.

v. In accordance with 29 CFR 825 Section 602, if an instructional staff member begins leave for a purpose other than the staff member’s own serious health condition during the five-week period before the end of the semester, the district may require the staff member to continue taking leave until the end of the semester if:

(a) The leave will last more than two weeks; and

(b) The employee would return to work during the two-week period before the end of the semester.

(Example of leave falling within these provisions: If a staff member plans two weeks of leave to care for a family member who will begin three weeks before the end of the term, the district could require the staff member to stay out on leave until the end of the term.)

vi. In accordance with 29 CFR 825 Section 602, if an instructional staff member begins leave for a purpose other than the staff member’s own serious health condition during the three-week period before the end of a semester, the district may require the staff member to continue taking leave until the end of the semester if the leave will last more than five working days.
vii. In the event the district requires the instructional staff member to take additional leave to the end of the semester in accordance with iv., v., or vi. above, the additional leave days shall not be counted as FMLA leave.

2. New Jersey Family Leave Act (NJFLA)

A staff member may take NJFLA leave in consecutive weeks, as intermittent leave, or as reduced leave. A staff member who requests intermittent or reduced leave shall make a reasonable effort to schedule such leave so as not to unduly disrupt the instructional/educational program.

a. In the case of a family member who has a serious health condition, leave may be taken intermittently when medically necessary. The total time within which the leave is taken, cannot exceed a twelve-month period for each serious health condition episode. The staff member will provide the district with prior notice of the leave in a manner which is reasonable and practicable; and the staff member shall make a reasonable effort to schedule the leave so as not to unduly disrupt the operations of the instructional/educational program. In the case of the birth or adoption of a healthy child, the leave may be taken intermittently only if agreed to by the staff member and the district.

b. Reduced leave means leave scheduled for fewer than the staff member’s usual number of hours worked per workweek, but not fewer than a staff member’s usual number of hours worked per workday, unless otherwise agreed to by the staff member and the district. A staff member is entitled, at the option of the staff member, to take leave on a reduced leave schedule for a period not exceeding twenty-four consecutive weeks. The staff member is not entitled to take the leave on a reduced leave schedule without an agreement between the staff member and the district if the leave is taken for the birth or adoption of a healthy child. The staff member shall make a reasonable effort to schedule reduced leave so as not to unduly disrupt the operations of the instructional/educational program. The staff member shall provide the district prior notice of the care, medical treatment or
continuing supervision by a health care provider necessary due to a serious health condition of a family member in a manner that is reasonable and practicable. Leave taken on a reduced leave schedule shall not result in a reduction of the total amount of leave to which a staff member is entitled.

c. The fact that a holiday may occur within the week taken by a staff member as family leave has no effect and the week is counted as a week of family leave. However, if the staff member is out on family leave and the school district is closed and the staff member would not be expected to report for work for one or more weeks, the weeks the school district is closed for this staff member do not count against the staff member's family leave entitlement.

Any leave time remaining after a staff member has exhausted his/her entitlement to intermittent leave in any twelve month period may be taken as consecutive leave or reduced leave, and any leave time remaining after a staff member has exhausted his/her entitlement to reduced leave in any twelve month period may be taken as consecutive leave or intermittent leave.

F. Notice

1. Federal Family and Medical Leave Act (FMLA)

   a. Foreseeable Leave - A staff member eligible for FMLA leave must give at least a thirty day written advance notice to the Director for Human Resources if the need for the leave is foreseeable based on an expected birth, placement for adoption of foster care, or planned medical treatment for a serious health condition of the staff member or a family member. If thirty days is not practical, the staff member must provide notice “as soon as practicable” which means as soon as both possible and practical, taking into account all the facts and circumstances in the individual case. For foreseeable leave where it is not possible to give as much as thirty days notice “as soon as practical” ordinarily would mean at least verbal notification to the Director for Human Resources within one or two business days or when the need for leave becomes known to the staff member. The written notice shall include the
reasons for the leave, the anticipated duration of the leave and the anticipated start of the leave.

When planning medical treatment, the staff member must consult with the Director for Human Resources and make a reasonable effort to schedule the leave so as not to unduly disrupt the educational program, subject to the approval of the health care provider. Staff members are ordinarily expected to consult with the Director for Human Resources prior to scheduling of treatment that would require leave for a schedule that best suits the needs of the district and the staff member.

The district may delay the staff member taking leave for at least thirty days if the staff member fails to give thirty days notice for foreseeable leave with no reasonable excuse for the delay.

b. Unforeseeable Leave - When the approximate timing of the need for leave is not foreseeable, a staff member should give notice to the Director for Human Resources for leave as soon as practicable under the facts and circumstances of the particular case. It is expected the staff member will give notice to the Director for Human Resources within no more than one or two working days of learning of the need for leave, except in extraordinary circumstances where such notice is not foreseeable. The staff member should provide notice to the employer either in person or by telephone, telegraph, facsimile machine or other electronic means.

2. New Jersey Family Leave Act (NJFLA)

a. Foreseeable Leave - A staff member eligible for NJFLA leave must give at least a thirty day advance written notice to the Director for Human Resources of the need to take family leave except where the need to take family leave is not foreseeable.

i. Notice for leave to be taken for the birth or placement of the child for adoption shall be given at least thirty days prior to the commencement of the leave, except that if the date of the birth or adoption requires leave to begin in less
than thirty days, the employee shall provide such notice that is reasonable and practicable.

ii. Notice for leave to be taken for the serious health condition of a family member shall be given at least fifteen days prior to the commencement of leave, except that if the date of the treatment or supervision requires leave to begin in less than fifteen days, the staff member shall provide such notice that is reasonable and practicable.

iii. When the Director for Human Resources is not made aware that a staff member was absent for family leave reasons and the staff member wants to request the leave be counted as family leave, the staff member must provide timely notice within two business days of returning to work to have the time considered for family leave in accordance with the Family Leave Act.

b. Unforeseeable Leave - When the need for leave is not foreseeable, the staff member must provide notice “as soon as practicable” which shall be at least verbal notice to the Director for Human Resources within one or two business days of the staff member learning of the need to take family leave. Whenever emergent circumstances make written notice impracticable, the staff member may give verbal notice to the Director for Human Resources, but any verbal notice must be followed by written notice delivered within two working days.

G. Leave Designation

An eligible staff member shall designate FMLA or NJFLA leave upon providing notice of the need for the leave or when the need for leave commences consistent with the criteria contained within this policy. Once a district administrator becomes aware that an individual’s absences meet the criteria of an FMLA or NJFLA, as described in this policy, he/she must inform the Director of Human Resources so that the employee may be advised of their rights under FMLA and NJFLA and placed on leave accordingly.
H. Benefits

The Federal Family and Medical Leave Act and/or the New Jersey Family Leave Act may be a combination of both paid and unpaid leave. Once the conditions of an FMLA or NJFLA leave have been met, any employees taking leave pursuant to either FMLA or NJFLA will be required to fulfill all the requirements of the leave selected, including, when appropriate, the use of all accrued leave balances including sick days, personal days, vacation days, etc. as time the leave. The employee will remain on paid status until all accrued leave balances have been exhausted. Once all accrued leave balances have been exhausted, the leave will continue unpaid until the employee returns to duty. Under no circumstances will the total leave entitlement, both paid and unpaid exceed the maximum limits as set forth in this policy. The Board will maintain coverage under any group health insurance policy, group subscriber contract, or health care plan at the level and under the conditions coverage would have been provided if the staff member had continued to work instead of taking the leave. If the staff member was paying all or part of the premium payments prior to the leave, the staff member would continue to pay his/her share during the leave time. Any instructional employee who is on leave under NJFLA or FMLA at the end of the school year will be provided with any benefits over the summer that the employee would normally receive if they had been working at the end of the school year.

I. Returning from Leave

The Federal Family and Medical Leave Act and/or the New Jersey Family Leave Act

A staff member returning from leave shall be entitled to the position he/she held when leave commenced or to an equivalent position of like seniority, status, employment benefits, pay and other conditions of employment. If the district experiences a reduction in force or layoff and the staff member would have lost his/her position had the staff member not been on family leave as a result of the reduction in force or pursuant to the good faith operation of a bona fide layoff and recall system including a system under any collective bargaining agreement, the staff member shall be entitled to reinstatement to the former or an equivalent position in accordance with applicable statutes, codes and laws. The staff member’s tenure and seniority rights, if any, and other benefits shall be preserved, but the staff member shall accrue no additional time toward tenure or seniority for the period of the leave, except as may be provided by law.
The return of a staff member prior to the expiration of the requested family leave may be permitted by the Board if the return does not unduly disrupt the instructional program or require the Board to incur the cost of continuing the employment of a substitute under contract.

If leave is taken under FMLA, and the staff member does not return to work after the leave expires, the Board is entitled to recover health insurance costs paid while the staff member was on FMLA. The Board’s right to recover premiums would not apply if the staff member fails to return to work due to:

1. The continuation, onset or recurrence of a serious health condition of the staff member; or

2. Circumstances beyond the staff member’s control.

J. Ineligible Staff Members

1. Federal Family and Medical Leave Act (FMLA)

   The district may deny job restoration after FMLA leave if the staff member is a “key employee” as defined in 29 CFR 825 Section 217 if such denial is necessary to prevent substantial and grievous economic injury to the district or the district may delay restoration to a staff member who fails to provide a fitness for duty certificate to return to work for leave that was the staff member’s own serious health condition. A “key employee” is a salaried, staff member who is among the highest paid ten percent of the school district staff employed by the district within 75 miles of the worksite. No more than ten percent of the school district staff within 75 miles of the worksite may be “key employees.”

   In the event the Director for Human Resources believes that reinstatement may be denied to a key employee, the Director for Human Resources must give written notice to the staff member at the time the staff member gives notice of the need for leave, or when the need for leave commences, if earlier, that he/she qualifies as a key employee. The key employee must be fully informed of the potential consequences with respect to reinstatement and maintenance of health benefits if the district should determine that substantial and grievous economic injury to the district’s operations will result if the staff member is reinstated from leave. The district’s notice must explain the basis for the district’s finding
that substantial and grievous economic injury will result, and if leave has
commenced, must provide the staff member a reasonable time in which
to return to work. If the staff member on leave does not return to work in
response to the notice of intent to deny restoration, the staff member
continues to be entitled to maintenance of health insurance.

A key employee’s rights under the FMLA continue unless and until the
staff member either gives notice that he/she no longer wishes to return
to work or the district actually denies reinstatement at the conclusion of
the leave period. A staff member is still entitled to request reinstatement
at the end of the leave period even if the staff member did not return to
work in response to the district’s notice. The district will then again
determine whether there will be substantial and grievous economic
injury from reinstatement based on the facts at that time. If it is
determined that substantial and grievous economic injury will result, the
district will notify the staff member in writing (in person or by certified
mail) of the denial of the restoration.

2. New Jersey Family Leave Act

The district may deny family leave to the staff member if the staff
member is a salaried employee who is among the highest paid five
percent of the school district staff or one of the seven highest paid
employees of the district, whichever is greater, if the denial is necessary
to prevent substantial and grievous economic injury to the school
district’s operations. The Director for Human Resources shall notify the
staff member of the intent to deny the leave at the time the Director for
Human Resources determines the denial is necessary. If the leave has
already commenced at the time of the district’s notification of denial, the
staff member shall be permitted to return to work within ten working
days of the date of notification.

K. Verification of Leave

1. Federal Family and Medical Leave Act (FMLA)
The Board requires a staff member’s FMLA leave to care for the staff member’s seriously ill spouse, son, daughter, or parent, or due to the staff member’s own serious health condition that makes the staff member unable to perform one or more of the essential functions of the staff member’s position, be supported by a certification issued by the healthcare provider of the staff member or the staff member’s ill family member. The certification must meet the requirements of 29 CFR Section 825.306 to include: which part of the definition of “serious health condition” applies; the approximate date the serious health condition commenced and its probable duration; whether it will be necessary for the staff member to take intermittent and/or reduced leave; whether the patient is presently incapacitated and the likely duration and frequency of episodes of incapacity; if additional treatments will be required for the condition; and/or if the patient’s incapacity will be intermittent or will require reduced leave. The certification of a serious health condition of a family member of the staff member shall be sufficient if it states the date on which the condition commenced, the probable duration of the condition, and the medical facts within the provider’s knowledge regarding the condition. Certification for the birth or placement of a child need only state the date of birth or date of placement.

In the event the Director for Human Resources doubts the validity of the certification, in accordance with 29 CFR Section 825.307, the district may require, at the district’s expense, the staff member obtain an opinion regarding the serious health condition from a second health care provider designated by the district, but not employed on a regular basis by the district. If the second opinion differs from the staff member’s health care provider, the district may require, at the district’s expense, the staff member obtain the opinion of a third health care provider designated by the district or approved jointly, in good faith, by the district and the staff member. The opinion of the third health care provider shall be final and binding on the district and the staff member.

The district may require re-certification pursuant to the requirements of 29 CFR Section 825.308. In accordance with 29 CFR Section 825.309, the staff member on leave must provide a written report to the Director for Human Resources every thirty workdays. The report shall include the staff member’s status and intended date to return to work. In the event the staff member’s circumstances change, the staff member must provide reasonable notice to the Director for Human Resources if the staff member...
member intends to return to work on a date sooner than previously noticed to the district. The staff member is not required to take more leave than necessary to resolve the circumstance that precipitated the need for leave. As a condition of returning to work after the leave for the staff member’s own serious health condition, and in accordance with 29 CFR Section 825.310, the district requires a staff member to provide a certification from their health care provider that the staff member is able to resume work.

In accordance with 29 CFR Section 825.311, the district may delay the taking of FMLA leave to a staff member who fails to provide certification within fifteen days after being requested to do so by the district. In accordance with 29 CFR Section 825.312, the district may delay the taking of leave until thirty days after the date the staff member provides notice to the district of foreseeable leave or the district may delay continuation of leave if a staff member fails to provide a requested medical certification in a timely manner.

2. New Jersey Family Leave Act

The Board shall require the certification of a duly licensed health care provider verifying the purpose of requested NJFLA leave. Certification of a serious health condition of a family member of the staff member shall be sufficient if it states the date on which the condition commenced, the probable duration of the condition, and the medical facts within the provider's knowledge regarding the condition. Certification for the birth or placement of a child need only state the date of birth or date of placement, whichever is appropriate.

In the event the Director for Human Resources doubts the validity of the certification for the serious health condition of a family member of the staff member, the district may require, at the district’s expense, the staff member to obtain an opinion regarding the serious health condition from a second health care provider designated or approved, but not employed on a regular basis, by the district. If the second opinion differs from the certification the district may require, at the district’s expense, that the staff member obtain the opinion of a third health care provider designated or approved jointly by the district and the staff member concerning the serious health condition. The opinion of the third health
L. Interference with Family Leave Rights

The Federal Family and Medical Leave Act and the New Jersey Family Leave Act prohibit interference with a staff member’s rights under the law, and with legal proceedings or inquiries relating to a staff member’s rights. Unless permitted by the law, no staff member shall be required to take family leave or to extend family leave beyond the time requested. A staff member shall not be discriminated against for having exercised his/her rights under the Federal Family and Medical Leave Act or the New Jersey Family Leave Act nor discouraged from the use of family leave.

M. Non-Tenured Support Staff

*Family leave granted to a nontenured staff member cannot extend the employee’s employment beyond the expiration of his/her employment contract.*

N. Record Keeping

In order that staff member’s entitlement to FMLA leave and NJFLA leave can be properly determined, the Director for Human Resources shall ensure the keeping of accurate attendance records that distinguish family leave from other kinds of leave. The Director for Human Resources will publish a notice explaining the Act’s provisions and provide information concerning the procedures for filing complaints of violations of the FMLA and NJFLA.

Implementation of FMLA and NJFLA will be consistent with provisions in collective bargaining agreement(s) in the district.

4431.3 **NEW JERSEY’S FAMILY LEAVE INSURANCE PROGRAM**

Board of Education employees are eligible to apply for benefits under New Jersey’s Family Leave Insurance Program administered by the State of New Jersey – Department of Labor and Workforce Development. New Jersey’s Family Leave Insurance Program (NJFLI) may provide up to six weeks of Family leave insurance benefits payable to covered employees from either the New Jersey State Plan or an approved employer-provided private plan.

A benefit provided through the NJFLI will be for the employee to bond with a child during the first twelve months after the child’s birth, if the covered individual or the domestic partner or civil union partner of the covered individual is a biological parent of the child, or the first twelve months after the placement of the child for adoption with the covered individual. An employee who intends to apply to the State of New Jersey for benefits under this provision of the NJFLI must provide the Superintendent of Schools written notice thirty calendar days prior to beginning the leave. Failure to provide this thirty-day notice may result in a reduction in the employee’s maximum family leave insurance benefits. Intermittent leave to bond with a newborn or newly adopted child must be agreed to by the Superintendent of Schools and the employee and, if agreed to, must be taken in periods of seven days or more.

A benefit provided through the NJFLI will also be to care for a family member with a serious health condition supported by a certification provided by a health care provider. An employee who intends to apply to the State of New Jersey for benefits under this provision of the NJFLI for consecutive leave must provide the school district reasonable and practical notice unless the time of the leave is unexpected or the time of the leave changes for unforeseen reasons. An employee who intends to apply for benefits under this provision of the NJFLI for intermittent leave must provide the school district with a written notice at least fifteen calendar days prior to beginning the leave.

For the purposes of this Policy, “family member” means a child, spouse, domestic partner, civil union partner, or parent of a covered individual. “Child” means a biological, adopted, or foster child, stepchild, or legal ward of a covered individual, child of a domestic partner of the covered individual, or child of a civil union partner of the covered individual, who is less than nineteen years of age or is nineteen years of age or older but incapable of self-care because of mental or physical impairment.
Optional – An employee will be required to use (up to ten) workdays of earned vacation, personal, or other earned leave in connection with a period of paid leave from the NJFLI. In accordance with N.J.S.A. 18A:30-1, sick leave is only to be used for personal disability due to illness due to illness or injury and therefore may not be used for NJFLI purposes.

All applications for benefits under the NJFLI must be filed directly with the State of New Jersey – Department of Labor and Workforce Development. The eligibility requirements, wage requirements, benefit duration and amounts, and benefit limitations shall be in accordance with the provisions of the NJFLI as administered by the State of New Jersey – Department of Labor and Workforce Development. A formal appeal may be submitted to the State of New Jersey – Department of Labor and Workforce Development if an employee or the Board disagrees with a determination on a claim.

The NJFLI provides eligible individuals a monetary benefit and not a leave benefit. The school district administrative and related staff will comply with the State of New Jersey – Department of Labor and Workforce Development requests for information in accordance with the provisions of N.J.S.A. 12:21-3.9.

The Board may elect to provide employees with Family Leave Insurance benefits coverage under a private plan which must be approved by the State of New Jersey – Department of Labor and Workforce Development.

A printed notification of covered individuals’ right relative to the receipt of benefits under the NJFLI will be posted in each of the district’s worksites and in a place or places accessible to all employees at the worksite. Each employee shall receive a copy of this notification in writing at the time of the employee’s hiring, whenever the employee provides written notice to the Superintendent of their intention to apply for benefits under the NJFLI, or at any time upon the first request of the employee. The written notification may be transmitted to the employee in electronic form.

R 4432  **SICK LEAVE**

A. Eligibility for Sick Leave

1. Each person steadily employed by this district will be paid in full, to the limit of his/her entitlement, for days on which the employee is absent from work because of:
   
   a. Personal disability due to the employee's illness or injury;  
   b. The employee's exclusion from school by the school district's medical authorities on account of a contagious disease; or  
   c. The employee's having been quarantined for a contagious disease in his/her immediate household.  

2. Whatever the claims of disability, no day of absence shall be considered to be a sick leave day on which the employee:  
   
   a. Has engaged in or prepared for gainful employment with an employer other than the Board;  
   b. Has participated in a concerted work stoppage; or  
   c. Has engaged in any activity, vocational or avocational, that clearly refutes the employee's claim of disability or quarantine.  

B. Call in Procedures

1. An employee who anticipates a day of disability should make every reasonable effort to so notify his/her immediate supervisor no later than the day before the absence, to allow sufficient time for the securing of any substitute services that may be required.  

2. Notice of the disability should include a reasonable estimate of the duration of the disability.  

3. An employee who becomes aware of his/her disability on the morning of the absence must call the Human Resources Division at 973-675-3847 between the hours of 5:00 p.m. and 7:00 a.m.
4. An employee who becomes disabled during the school day must so inform the Principal as promptly as possible and request permission to leave the school premises.

5. In all instances, the employee should call personally to report sick leave. An agent may be appointed to call in sick leave only when the employee is so incapacitated as to make a personal call inadvisable or impossible.

C. Sick Leave Charges

1. A sick leave absence commences when the absence is called in pursuant to paragraph B.

2. A sick leave day once commenced may be reinstated as a working day only with the approval of the Director of Human Resources.

3. An employee absent on sick leave on a day when the school is closed early for emergency reasons will be charged with a full sick leave day.

4. An employee scheduled for a sick leave absence on a day on which the schools do not open because of an emergency (such as a snow day) will not be charged with a sick leave day.

D. Verification of Sick Leave

1. An employee absent for reasons of disability more than four consecutive working days shall submit the signed statement of his/her physician indicating:

   a. The reason for the employee’s absence, as personally known to the physician, and

   b. If the employee is not immediately returning to work, the anticipated duration of the employee’s disability.

2. The Board may, at its discretion, require the employee to submit to examination by the school medical inspector or a physician designated by the school medical inspector.
3. If the results of the examination conducted pursuant to paragraph D2 are inconsistent with the statement of the employee's physician, the two examining physicians shall agree in good faith on a third physician, who shall examine the employee and whose medical opinion shall be conclusive and binding as to the employee's disability on days claimed for sick leave.

E. Readmission After Disability

1. An employee who wishes to return to work after sick leave of more than four consecutive working days or with any restrictions shall submit a signed statement of his/her physician indicating the employee's fitness to perform his/her duties. (see exhibit 4432)

2. The Superintendent of Schools may, in his/her discretion, require the employee to submit to examination by the school medical inspector or a physician designated by the school medical inspector.

3. If the results of the examination conducted pursuant to paragraph D2 is inconsistent with the statement of the employee's physician, the two examining physicians shall agree in good faith on a third physician, who shall examine the employee and whose medical opinion shall be conclusive and binding as to the employee's fitness to return to service.

F. Exhaustion of Sick Leave

1. The Principal or department designee staff member will monitor each employee's sick leave bank and charge the employee's bank of accumulated sick leave with sick leave days in accordance with Policy No. 4432 and this regulation.

2. A request for the extension of sick leave should be submitted to the Superintendent of Schools at least ten working days in advance of the next Board meeting. The request must be accompanied by a physician's signed statement setting forth the nature and anticipated duration of the employee's disability.

Sick Leave

4. Employees are reminded that sick leave extensions and disability leaves of absence are not entitlements and will be granted or denied by the Board on a case by case basis.

G. Accumulation of Sick Leave

1. Sick leave will be charged, first, to the sick leave newly available in the employee’s current contract year and, when that sick leave entitlement is exhausted, to the employee’s bank of accumulated sick leave.

2. At the beginning of each contract year, up to fifteen days of sick leave newly available but unused in the prior contract year will be carried forward and credited to a full-time employee’s bank of sick leave.

3. The unused sick leave of part-time employees will be accumulated on the basis of hours of work rather than days of work.

   a. At the close of each contract year, the number of sick leave days not used by a part-time employee will be multiplied by the number of hours the employee worked in each day or, if the employee worked irregular hours, the average number of hours in each contract day.

   b. When a part-time employee, continuously employed in the district, is employed full-time, his/her accumulated sick leave hours will be divided by the number of hours in a full working day, and the dividend will be multiplied by the number of days he/she worked each week as a part-time employee. The product will be divided by five, the number of days in a full-time week. The resulting number, rounded up to the next full day, represents the number of accrued sick leave days in the employee’s sick leave bank.

H. Records

1. The personnel file of each person employed by this district will include an accurate record of the employee’s attendance in accordance with Policy No. 4211.

2. Each employee’s attendance record will record the reason for any absence.
3. The attendance record will include the accumulated unused sick leave in the employee’s sick leave bank.

Exhibit 4432

Procedures for Employees Returning to Work After an Absence or Leave

Employees who are absent for reasons of personal illnesses, accident or injury (after four or more consecutive days) must provide medical verification of their absence to their school or department. The District also has the right to require a medical statement after each day of absence.

The medical statement provided must include the following information:

1. Period of disability (specific dates).
2. Specific date for return to work.
3. Statement regarding limitation or restrictions, if any: (must be specific or state “none”)

The employee may also be required to provide written medical verification of the absences for any of the following reasons:

1. Excessive absences.
2. Absence pattern suggests an abuse of sick leave.
3. There is a question about the legitimacy of the reason(s) for the absences.
4. There is a question about the ability to perform the duties of the position or assignment.

The medical statement must be written on appropriate medical stationary (letterhead or an Rx note) and must be an original copy.
The employee must report to the Division of Human Resource Services for return-to-work clearance whenever a return after an accident, illness or injury (regardless of duration), if the medical statement has any limitation or restrictions. The employee can report to the Division of Human Resource Services without making an appointment and you will be seen by the Director of Human Resources or designee.

In addition, if the employee has been absent and are no longer entitled to pay, they must report to the Human Resource Office for clearance to return to work. This will project the employees' entitlement to benefits and salary.

Finally, if the employee is returning from a pregnancy leave, child-rearing leave, Family Act Leave or any other Board approved leave (excluding professional leave), they must report to Human Resources for correct employment status.

No employee who has any restrictions or limitations will be permitted to return to work unless clearance is obtained from the Division of Human Resource Services. There will be no exceptions.

The above procedures apply to all employees and must be followed without exception. The district is obligated to permit the employee to resume their position and assignment but only if the employee is medically able to perform the duties and responsibilities of the position and assignment.

4433  **VACATIONS**

The Board of Education believes that it is beneficial to the school district that persons employed to work twelve months a year be given periodic relief from the responsibilities of their position without loss of compensation.

The Board reserves the right to determine the conditions under which vacation time may be taken when not otherwise covered by the terms of a negotiated agreement or in an individual contract with the Board.

N.J.S.A. 18A:30-7

Adopted: 3 December 2008
4434 **HOLIDAYS**

The Board of Education will compensate support staff members for holidays in accordance with the holiday provisions of current valid negotiated contracts.

Compensation for holidays for non-association/non-union represented support staff members will be determined by the Board on an annual basis.

N.J.S.A. 36:1-1

Adopted: 3 December 2008
4435  **ANTICIPATED DISABILITY**

The Board of Education shall provide for leaves of absence, in accordance with law and the policies of this Board, for any employee of this district not otherwise covered by the terms of the negotiated agreement whose absence from duties will be required for a foreseeable event of disability such as childbirth or surgery.

An employee who anticipates disability shall so notify the Superintendent as soon as the employee is under medical supervision for the condition and a date is projected for the anticipated disability. Because of the potentially disabling nature of pregnancy and the certainty of temporary disability at parturition, the Board will presume that a pregnant employee is disabled for work thirty days before the anticipated date of childbirth and continues to be disabled for thirty days after parturition, except that any such employee who presents medical certification of her fitness may continue to work until she is actually disabled and may return to work as soon as she is able.

The Board reserves the right to require an employee who requests an extended leave of absence that includes anticipated disability to commence and/or terminate the leave at times that ensure continuity in district operations. Whenever possible, partial year leaves of absence will begin and end at divisions in the academic calendar and will cause not more than one interruption in employment continuity during the school year in which the leave is taken. No person who is required to take leave at a time other than that requested will be denied the use of sick leave for the anticipated disability that occurs or is presumed to occur during the leave.

An employee who anticipates a disability may request a leave of absence to commence before disability and to extend beyond the period of disability. Any such request shall be subject to Board discretion and the Board's policy on leave of absence. An employee on voluntary leave of absence is not eligible for sick leave pay for disability occurring during the period of that absence.

The Board of Education will provide for an employee’s compensated absence for reason of personal necessity not covered by the terms of a negotiated agreement or in an individual contract with the Board.

The Board of Education will indemnify all full-time employees against loss of pay incurred by a call to jury duty. No employee will be penalized in any way for an absence caused by service on a panel of grand or petit jurors. The time any such employee is absent will not be charged against personal leave and will count toward district service.

A full-time employee who is absent from their school district duties while on jury duty for any court of New Jersey, any court of any other State, any federal district court, or in the U.S. District Court for New Jersey will receive their usual compensation from the school district for each day the support staff member is present for jury duty. In the event there is any jury duty compensation, excluding mileage and lodging, paid to the employee for their time on jury duty, the employee will be entitled to keep the jury duty compensation paid to him/her in addition to their school district paid usual compensation.

An employee summoned to jury duty shall promptly report the summons to his/her immediate supervisor.

On return from jury duty, the employee must submit to his/her immediate supervisor a court record of the number of days served on jury duty.

While on jury duty, an employee must report daily to his/her supervisor the schedule for the following day.

Custodians working on second shift shall report to work at 6:00 p.m. on days for which they have jury duty. Custodians working third shift shall be released at 4:00 a.m. on days they are to serve on jury duty. (Staff shall be paid for a full shift).
